#### FATHER DIVINE'S REMARKS

At the Kingdom, 20 West 115th Street, New York City, Monday, January 29th, 1934. 3:00 P. M.

It was a merry Throng that gathered around the beautiful Bus marked, 'Newark, N. J., to California,' as it loaded up for its long Transcontinental trip, from in front of Faithful Mary's New York Headquarters at 160 West 126th Street, Monday afternoon, January 29th. It was going forth in Father Divine's Name, loaded with true Believers from New York City and Newark, to tell California and points between, that God is present in a bodily Form and that He is Reigning and Ruling in the affairs of men.

Further details of this Mission of Peace and its journeys, will be found in next weeks issue of the World Echo. Suffice it to say on this occasion, that the Throng around the Bus was a merry one, for Father Personally appeared among them as He came from the Banquet Table in Faithful Mary's new Dining Room, where a Banquet had been served on the eve of the party's departure for the West.

After looking over the Bus, Father proceeded, with His Staff, to His New York Headquarters at 20 West 115th Street, there to await the arrival of the Bus on its last stop before starting on its journey. While awaiting the arrival of the Bus, Father put forth the following Message for consideration :-

How Faithful Mary Was Resurrected From Ruin

WATCH THAT YOU ENTER NOT INTO TEMPTATION"

In the Creation of the Heaven and Earth, all things that are now, or have been, or ever will be, were made. Then the beautiful new Extension Kingdom of been also made, but it took these brought into manifestation, even as the Word took Form and was made "Flesh," and is now dwelling among us. It is wonderful to see the Handiwork of the Lord, how His SPIRIT is moving out STILL upon the Face of the Deep and at His COMMAND "to LET," new Manifestations thus are seen.

This is exactly what took place at the above address. God commanded that "HIS KINGDOM of RIGHTEOUSNESS be set up in the Earth, and the Powers of wickednes be dethroned," and for that reason another beautiful Mansion in Our FATHER'S House has come forth, and the people wonder and say "how does HE do it ?" The Holy Word endorses and supports His Works. In the Prophecy of Isaiah it reads: "Therefore, behold I will proceed to do a marvelous work and a wonder, for the wisdom of their wise men shall perish and the understanding of their prudent men shall be hid."

Here in the period of frivolity, when the world was reeking with jazz, and the people were rushing headlong down the slope of crime, vice and sin, and the wisdom of their wise men was not sufficient to reform, and certainly not adequate to redeem the people from their sins, and the understanding of their prudent men was hid, so that the process of transforming men and causing them to become "new Creatures." as Jesus said they should, was an expression incomprehensible, until "Our Father," made it plain. And thus we see Him DRAWING all men unto Him, just as HE said HE would, "And , if I be lifted up from the Earth, I will draw all men unto

And they are coming from far and near, just as Father ex- Like Unto plained in His rich Message to Christ us on this occasion, and just as we behold them coming every day, just as they poured into the beautiful New Extension, crowding every inch of space, flooding the galleries in the pretty marble dining room, packed and jammed on the staircases, in the corridor, out on the front stoop and far out in the street. The Christ within them is being resurrected, and transforming their lives, just as these, and this particular building, are being converted from commercial and polluted structures into the Temples and Sanctuaries of God, and just as the birth of this new Day is dawning and the apparent creation of this New World is forming, so has Our Father God destroyed the Works of the Devil, and gathered unto Himself, the polluted and corrupted bodies of men, and caused them to recognize their relationship with God, their Father, and through and by them putting off the old man and putting on the new, they are denouncing their pre-conceived ideas and mortal beliefs and opinions, and are reflecting the Glory of God, through their Temples, even as this Temple, "Faithful Mary," is doing, since she has been transformed and molded into a "clean Vessel," unto the Lord. He hath delighted to express and manifest through this, and other Temples, and through all Temples, who will tude). bring themselves into subjection to the Christ-Consciousness, glorifying God in their Temples, knowing this, that "it is no more them as individuals, but the CHRIST that lives in them." Hence, the fulfillment of Fathr's Words are seen: "I will each Christ in Words, but more n deeds and in actions, and l put MY Spirit in them and them to walk in MY utes." nis, they are doing daily ALKING in HIS STAT-ES." and COPYING after the FASHION HE has shown them on the HIGH MOUNTAIN of UNDERSTANDING." bringing into manifestation the duplication of the "LORD'S TABLE" all over the Earth, showing forth HIS RETURN to the Earth and CONTINUANCE of HIS . This MISSION among men. MIGHTY HOLY LOVE has wrought more in these last days, than the Works of men have done throughout the Nineteen Centuries. "Our Father's Message" at the shewing forth the Praises of Him who hath called them out of darkness into this Marvelous Light.'

Father emphasized the great importance of "WATCHFUL-NESS": "Watch that ye enter not into temptation." He pointed out the fact that God was able to express through the Temple known as "Faithful Mary," because she had been meek and self-denied, but HE cautioned her and all, to be mindful and WATCHFUL, and not allow the the Jersey Connection, must have mortal version of the human mind to get in the way to rob many years before it could be them of their Calling. This Message given at what appeared to be the Opening of a New Place, but we know it is simply the Expansion of the outward expression of the Kingdom, is well worth consideration. It will serve as a Guide for all time, and as a REMINDER to cause us to be steadfast and unmovable, "substantiated in faith and unshaken in confidence."

#### **Good** Appetite Forever

GOOD HEALTH, GOOD WILL and GOOD APPETITE, I believe we all have had. I believe we all still have it, although we may be apparently full, we still have a GOOD Appetite. ("Yes Father," exclaimed the Gathering and particularly those who were din-

While I listened to the different testimonies, I was thinking of the great significance of living in this recognition, and being substantiated in FAITH and being watchful! The Word says: "Watch that you enter not ... Has not this come to pass? into temptation." I heard one of the Speakers testify, saying, that nothing could cause her to doubt. The opposition must come equi-

valent to your testimony, remember. That is the Law of Advancement. To advance and to increase in strength and in power, the opposition must be equivalent to your testimonies. When the oppositions come, if you are watchful and mindful, these oppositions cannot prohibit you, for you have set your types in Righteousness to meet the issue that is coming in opposition. It is indeed wonderful! ("It is wonderful!" proclaimed the Assembly). I was also thinking of how great it is, when all individuals as persons, can get themselves out of the way and recognize this Im-

fool yourselves. Remember, as I Faith," this TABLE extending have so often said, the things of materialism, better known as the "flesh," by MY Version, it has more than one state of expression. It has more than one state of consciousness. "Flesh is flesh and the end thereof is death." It is indeed wonderful!

Take these thoughts to consideration. I have written to lift your minds out of materialism and out of human, fleshly affections with all of your mortal human selfishness. For this cause, I came and for this purpose 1 stand advocating this Impersonal Life with or without the Bodily Form. It is indeed wonderful! Then I will call your attention once again, to this expression of which you see and that of which you have seen. You can plainly see the great unfoldment of MY Spirit and the work and Power of MY Mind with or without a Bodily Form. Then I say, it is not confined or bound. It is operative for you as well as it has been, and as well as it is for the Body that was called, and still

is called "Faithful Mary." Live in this recognition, dial in on this Fundamental PRINCI-PLE, bring your bodies into subjection to IT, and the same expression will work through you effectively, if you will deny yourselves to the nothingness of nothing, even as she was in reality. ("It's wonderful!" shouted the Assembly). It is a hard thing for a person to deny him or herself to the nothingness of nothing, if they are something, but because in reality, she was at the depths of nothing, humanly speaking, expressing the little end of nothing, therefore, there can be an expression come through this individual as something that would transcend all of the human intelligence. If this mind would have been in a person and a body functioning with the honor of degrees, after the

Four Thousand miles across the Continent? I say Four Thousand miles. ("Oh it's wonderful!" commented the Assembly). Some may say, "it is not quite Four Thousand miles across. However, with the Extension and the expanding from different directions, we can see it extending Four Thousand miles across the United States of America. It is

indeed wonderful! After awhile, and even now we have crossed the Atlantic. We have crossed the Pacific. We have crossed the Arctic and Antarctic. It is indeed wonderful! (And the audience also agreed that it was and is wonderful). We are going from shore to shore and from land to land. We are now in NEW ZEALAND. (Applause). It is indeed wonderful! We are down in Tasmania. We have the Spirit of MY Presence there expressing. Then I say, it is going from shore to shore and from land to land. It is still extending and it will continue to expand, until it will cover the Earth, yea, even as the WATERS the MIGHTY DEEP.

#### Command to Recognize

(Applause).

Take these thoughts to consideration: Live in this recognition, and the Spirit of MY Presence, will be with you, for I in Myself HAVE and AM the VIC-TORY over all adversities and you can SEE it. ("It is true," affirmed the people. I AM not asking a person or persons to believe ME. I AM not asking any individual to follow ME. I AM not beseeching them to cooperate with ME, I COMMAND the Spirit and Mind of all men to recognize this LIFE that I AM advocating, and I will cause them to serve Him that liveth forever and forever. It is indeed wonderful! I said, "I will cause them to serve Him that liveth foreever and ever, and this is accomlished WITH or WITHOUT the BODY. The least of the least are the ones, they are they of whom I have called. The most insignificant of all the Earth, they are the ones who are called first. It is indeed wonderful! "Has not God taken the dumb things of this world to confound the wise?" For this cause I came. Take these thoughts to consideration, and what I have said unto one, I have said unto all. WATCH! I say "WATCH." I AM telling you WATCH, because I love you, and if you love ME, as you say you do, and if you love humanity as you say you do, you would not wish to lay even so much as a straw in the way to prohibit you from expressing MY LOVE for all mankind. What I have done for you, you should rejoice to see ME do over and over again, millions and millions of times multiplied by as many more, for what I have done for one, I can do for all, if they will only but allow ME to. It is indeed wonderful! ("WONDER-FUL! WONDERFUL! WON-DERFUL!" proclaimed the peo-

Take these thoughts to consideration: Live in this recognition, and you will not have an occasion to falter nor fear; you will not have an occasion to fret nor worry, for I will be with you as I have been with you. It is indeed wonderful! LIVE IT, and LIVING it, sincerely with FAITH believing, after awhile, you will actually BE IT, and others will SEE IT, and we all will be ONE together. It is wonderful! Oh that you could not learn the great significance of keeping the Spirit in perfect harmony, and your minds with one accord with God, and doing everything to keep the Spirit in expression and unfolding the Mysteries, for the Blessings come through and by the individuals bringing their bodies into subjection, and keeping in perfect harmony with the Spirit of your Great Creator.

#### The Flow of Blessings

When I AM happy and everything works harmonious, do you not see the limitless Blessings being manifested, and the Mysteries of God continually unfolding? ("You're always happy," shouted a clear penetrating voice). But if you dam the Flow, I AM the same, as one of the Speakers just then said: 1 AM always HAPPY, and therefore, I always remain the same, but you will bar the access of this Grace, wherein I stand, and will prohibit the Flow of the Blessings from coming, if you will prohibit the Spirit from working effectively, by conflict-

ing it. Take these thoughts to consideration: Live in this recognition, and the very Spirit of God's Presence will be with you, and others will see it, and they will believe it, and you will BE it. I thank you.

deed wonderful! There are those of you who Level can testify of what you say I have done through and by you, and yet there are those who have testimonies, experiences and real understanding having been manifested through them, that would transcend your fondest imagination. It is indeed wonderful! That is why I have been, and still AM calling your attention to the higher expression of MY Spirit and of MY Presence without the Person in which I AM living. It is indeed wonderful! When and wheresoever one has expressed in an expression of God's Presence that transcends the ordinary expression, I AM called to emphasize it. It is indeed wonder-

You are like HIM by living as HE lives. It is indeed wonderful! The testimonies of the different individuals, stressing something concerning themselves as individuals, and not stressing something that has come through someone else that is a standard of expression superiorly. It is indeed wonderful! That is why you hear ME, as a Person often mention the experience of this individual "Faithful Mary," because I have observed the Spirit of MY Presence functioning through the individual and if I AM not living after the flesh, why should I speak of Myself particularly. ("Oh it is wonderful Father,"

remarked the Hearers). Now I AM speaking after the manner of men, and especially to those of you who do not bear witness of what you have really seen, and of what is actually being done superior to your fondest imagination, and still you can bear witness of some little simple expression that you have made which does not amount to the snap of MY Finger. ("So true," said the people).

this individual, as it has done. It is indeed wonderful!

## To a Higher

Therefore, I speak not after the manner of men, but speaking after the manner of the Spiritual Interpretation, for the benefit of the individuals, who are seeking an elevation. It is indeed wonderful! If you desire to be lifted above your average state of expression, always give Honor and Praise and Thanksgiving, for the higher light of expression, and it will help to lift you above your average level. Then I say, as the Angels said by inspiration of the Spirit, as t was given to them, and the Wise Men heard them sing: "Glory to God in the Highest and on Earth, PEACE, GOOD-WILL

Do you not see the great significance of giving glory to God in the Highest degree of expression, and not in the lower degree that which is termed to be the mortal version? Giving Glory to God in the highest, not in your selfish pre-conceived ideas and opinions, not in your mortal versionated point of views, to appease yourselves, but give Glory to God in the highest light of expression to please God in the Heavenly State of consciousness. That is the mystery, if it was only for the purpose of being abundantly blessed from a material point of view. I have set before you a Sample and an Example, that you might copy after the fashion that I have shown you in this understanding. When and wheresoever there is the expression of God manifested in a higher light of understanding or unfoldment, if you give Praise especially for the greater expression of the Spirit, through this recognition, it will lift you above your level. It is indeed wonderful!

There are many others who would like to speak and I do not like to get in the way. I do not like to make you glad twice: glad to see ME come and glad to see ME go. To Find Lost Things

At this particular juncture, I further wish to say, we still are advertising LOST and FOUND things, of which is MY Mission not merely to advertise LOST and FOUND things, but is MY Mission to SEEK and FIND that which was LOST. The Spirit of MY Presence, and the Presence of MY Spirit, is in reality SEEKING and FINDING that which was LOST. If you are LOST from the KNOWLEDGE of the TRUTH, or if you have lost any material thing, My Spirit and MY Mind will find it if you are in perfect harmony with ME. There is nothing lost in the Great Universal Mind Substance. Work in harmony; be in harmony, and the Spirit will

work with you effectively. Do you not see it? ("Yes Father Dear," answered the multitude). You have never seen a Person, who could draw so many people. ("Never! Never," shouted the people). You have never seen a Person that so many FOLKS LOVE, have you? ("No Sir," assuredly agreed the throng).

Banquet Table, 20 West 115th St., New York City, Saiday De-cember 27th, 1933, 645 P. M.

It was a merry throng that filled the Great Banquet Hall at the New York Headquarters of Father Divine, better known as the Kingdom, at 20 West 115th street, Sunday evening, December 24th, and joined in the festivities around the Beautiful Banquet Table. It was mortal versions of men, but it was not the night BEFORE Christmas those in whose hearts and minds and bodies Father had produced one Eternal Christmas Day. This occasion, like all other Assemblies of Father's, was one of merriness of heart, and Praise and Thanks-Mercy, for His Presence, and for His Wonderful blessings that flowed so freely for one and for Ever Present for all, every day. It was another ex- Believers rression of the Honor and Glory and Majesty of God, such as had never been seen until Father came in His Body, but being now manifested every day, in and out of the Personal Presence of Him. There was not only the Abundance of every good thing to eat, manimen to wonder, but there was an mission of God to man and the to falter nor fear, but remember, draw water out of the wells of Father Divine sion, and such an Abundance of doorways were filled.

There were present, among many other visitors, a large Delegation from the State of California that had arrived in New York that morning in time for another great Banquet at which Father had spoken at length.
