Mess^{rs} Acton Coance } Barbadoes August the 6th 1707
Eyers & Co. - - - }

The above is the Copy of my last - some of your deca^d mack^r
I have thrown away - & most of your fish is yet unsold, & smells
so strong - I cant endure my house - I have not sold a tithe this
2 months, nor in all so much as will reimburse me the gra^t
I have paid - I never knew such a Dull market for Provision
here so long together - you may expect a miserable acc^t
which I wish had fallen upon any other than my self to
render

I am y^r Humble Serv^t
