Divine Intelligence Is Re-Conceived In the Quickened Consciousness of Man When God's Spirit Dwells Within Us

The Consciousness of the Presence of God Is The Source of All Supply—It Is Brought Into Outer Expression and Into Manifestation and Is Now Displaying Limitless Blessings Which We May Observe Everywhere

"Our Father's Message" at the Banquet Table, 20 West 115th Street, New York City, Monday Evening, March 12, 1934, 9:50

Before one reached the Dining Room, the beautiful strains of the Music from the vast congregation, could be faintly heard. As the approach was made nearer and nearer, the sounds thereof were more distinct and clearer, to the extent that when the Dining Room was reached, the individual felt that he or she was diving into an Ocean of Love. The Heavenly Breezes just wafted gently to and fro until a most Divine Atmosphere could be felt by all who was in the radius of the Circumference of Heaven, and a certain calm came over the entire Assembly, so that it was very possible for the individuals to relax, allowing everything to become dormant, but the CHRIST that was uppermost in the minds of all of the people, there Assembled. The Consciousness of God's Presence was very evident, as the Love of God, was felt from heart to heart, and Joy flowed like a

Dining Room, there congregated a group of people, some evidently having come in for the first time. They were dazed, they were amazed, for the like had never been seen before by them. Their faces told the story, their expressions were aghast; somehow or other, they seemed to forget themselves, and soon their bodies were swaying with the rhythm of the music, and their hands were patting to the time of same. They looked at each other and smiled, and the same repeated daily slogan was heard by them and from them. "It is wonderful!" And there was no mistake about it, it was truly wonderful! There is not a place on Earth, where such Love abides, and where everybody, and anybody and whosoever will can come, and all feel alike, for in the Presence of God, all disguise, sham, and falsity is laid aside, and His Holy Presence is recognized.

At the upper end of the long

One sister who had just arrived from Pittsburgh, Pennsylvania, pushed every stumbling block out of her way, and made her direct and personal contact with God. She was afire with the Flame of His Love, and the Power of the Lord moved upon her, and she shouted "Hallelujah, Hallelujah, Hallelujah, the Lord of Host has come. He, who was to come, has come. His Spirit is in me, I came from Pittsburgh, because God, here manifested, drew me here, and I thank Him, MY God. I said I came from Pittsburgh, Pennsylvania, to behold God in manifestation. When I read the literature, and when I read the newspaper, and the criticism which the paper said about Him, I knew it was God. I know it is MY Father's Kingdom, Hallelujah, Blessed be His Name. You know Beloved Ones, I have been wanting Him so long. I have been calling on Him. I didn't know where I was coming, but the Spirit was drawing me. I came here to admit and to acknowledge Him, as MY God. I thank God for the revelation, for letting me know that HE is My God. Hal-

I lay on my bed and I asked Him, was there anyone living right, the Power of His Spirit touched me, and it came like Electricity and touched me from the crown of my head to the sole of my feet. I said, "what are you gooing to do, take me out of the the Spirit saying: "I AM sending you up higher." Glory to God in the Highest, Peace on Earth, Good Will to man. Bless

Another testimony came forth as a consideration of the Theme of the Message. A lady told how she had endeavored all through her life up until a certain period, to be honest in her dealing with her fellowman, and especially with regards to finding anything that was not her's but she stated that because of being jeered and belittled by others, she made up her mind that if she found Jeus, and the Virgin Mary told her, HE w hers, she wouldn't admit th

Hidden Truth of greatest worth?

Of the Prince of Peace on Earth,

Speak the Christ that all may know

In His Kingdom, YOU, and Me.

Now My own shall come to Me:

He shall speak the Word, not doubting.

Once again on Earth to Be!

Who can doubt this Power revealing

Into Consciousness, the leaven

Lifted tho't O Love Supernal

Gives His heritage, Eternal,

Cometh from our God above

Promised unto all who love!

Biddeth every fear depart:

Each, in Oneness with the Father,

All the ills we did but borrow.

For the Presence now is barring

But the rightness,-intuition;

In the Silence of this gloaming

Truly 'tis the heav'nly token

He has chosen, oh so humble.

Spirit evermore shall win.

HUMAN Intellect NOT LIVING

True dominion, each his part.

Works are proofs, tho' words may falter,

Gone, each stumbling rock, or sorrow,

To but heed the Living Word;

Truth still clearer, now is heard.

Sun, nor moon,—the heavens Starring

Soon the clearer Light to bring,

Pride, and fear, and everything

Shall we hear the Angels sing?

To behold the FATHER'S Face.

Spirituelle, the meekest Race.

Once He came thro' lowly manger,

Fairest Babe to look upon.

Than the sons of men; and shone

With a wondrous Christly grace.

As the ills of sense we banish

All, for Spirit, crucified.

Now, the Glory of the Father

As 'tis given unto me

On and on in Truth to proffer

For what cometh from the Father

Must Eternally be free-

Wheresoe'er the need may be.

Filled with Glory all shall see

Till all earth resounds,—the heavens

And Behold, with joy that leavens

Time and all Eternity.

Father Divine (Der Goettliche Vater) begeisterte Seine Anhaenger

Unser Vater gab am Sonntag Abend, den 25, Februar 1934, waehrend Seines Liebesmahles im Salle an der 115. Strasse No. 20. in der Stadt Neuvork folgende Botschaft kund:

Tausenden in dem grossen Saale Seines "Kingdoms" versammelt. Der Raum, in welchem der Vater seine Engel bewirtete, war neberfuellt. Jubel - und Frohsinnsgesaenge erschallten, und die Goettliche Begeisterung klang unverkennbar aus ihren Melodieen. GOTT herrschte erhaben in All Seiner Herrlichkeit und Allmaechtigen Gegenwart, und jegliches Erdenleid war von den Anwesenden entschwunden.

"Seiner Botschaft Himmelssprache von des Lebens Seligkeit, Seiner Liebe Gottesworte leben fort in Ewigkeit."

Leset hier selbst die Botschaft des Vaters:

"Neben Guter Gesundheit, Wohlgefallen und Gutem Apperit, unseren alltaeglichen Gaben, bringen wir heute Abend auch die besten: Gottes Liebe und ein froehliches Herz!

(Part One)

"ASK, AFFIRM, GIVE THANKS, and GIVE PRAISES, GOD WILL GIVE, CON-FIRM, INCREASE and MUL-TIPLY." These are the Words of "Our Father," which have been proven substantial and true. This is a Qualifying quotation, which renders one eligible to receive the Blessings of God, and, not only merely receive them, but they come in copious showers, being multiplied by as many more: "Try ME," saith the Lord, "and see if I will not pour you out such a Blessing that you will not have room to receive them." It is Wonderful! "Our God is one God." He has brought all of the Nations of the Earth, at least representatives of every Nation together, and banded them with the Chord of Heavenly Love, and with His Dazzling, Bright Light of Understanding, and this Omni-Lucent TRUTH, we have found the City of God, and the Keeper thereof, is "Our Dear Father," who hath bid us "WELCOME HOME." What a glorious Reunion with the Children of God, coming Home every day, like "the Prodigal coming Home to their Father, fully conscious of their unworthiness, but seeking their identities with God. Hence they are making their Declarations known: "the LORD is at Hand." For this reason, they are always merry, happy and gay, for God, in the midst of His People, has aken their troubles and their cares away, and they are proclaiming their Lord and their King. Their Affirmations have been confirmed by the Great

Confirmer, They have gone

through a Spiritual Process, be-

ing confirmed by "The REPRE-SENTATIVES of the INFINITE CONGRESS of SALVATION, recorded by the President of Heaven, endorsed and approved by the Secretary of Salvation, and thus, they have become to be Declarations. These were the Father," taken from the Message, which HE delivered in our hearing, as we feasted Spiritually on "the Bread of Life," and Materially on 'the ABUND-ANCE of al good things," at the Banquet Table, on this particular Morning. We shall grope no more in darkness looking for the Light, for the Light and Understanding of God is so bright, it can not be hid. None of the Metaphysicians, the Preachers and Teachers, the Scientists, the Pioneers of Truth, none need waste their energy to point out Heaven to us in the sky, nor God whom they said we would see when we die, for we are no longer "Kindergarteners seeking to hear Fairly-tales, but we are Children, the Children of God, feding off the sincere Milk of the Word, building up a Spiritual House, which is the Temple of the Living God, preparing for Life Eternal, through the transformation of the Body, the result of the renewal of the mind: We were taught the Mystery of the Prayer of Jesus: "I pray that they may be One, even as We are One," this Connecting Link which Father has made betwen God and man, by bringing the Heaven and Earth together, and by making man and Spirit One, has solved the Mystery, and we absolutely refuse to walk in the paths of darkness longer, when God is dwelling on Earth with us, shedding forth His RAYS of LIGHT. IT IS INDEED WONDERFUL! READ THE MESSAGE for your own benefit, and know the TRUTH, "for the TRUTH shall set you free." These are Father's Words:

The Time: Twelve Fifty-five.

At the conclusion of the First Message, the entire Assembly waved kerchiefs, those seated at the table floated their napkins in the air, all singing the following Song:

Let Earth receive her King, Let every heart pre-pare Him room And Heav'n and Na-ture sing, And Heav'n and Na-ture sing, And Heav'n and Heav'n and Na-

We all enjoyed the bounteous supply of Spiritual food. At this time, Father invited the General Assembly to have dessert, which consisted of the latest issue of the Divine Light. These were passed from Father and served to each individual at the table, firstly, and then to every individual in the Building, until all were supplied, each serving themselves to one, and passing them on, until they were served out into the Street. This was Father's Command. Now and then, it was necessary for Father to call attention to blocking Traffic, and immediately the Blessings began to flow freely. As a reminder, that there should be no obstructions in the way to prevent the systematic passage of the "LIGHT," Father led us in singing:

"Keep the Message going and your Blessings flowing in, Your Blessings flowing in your Blessings flowing in, Blessings flowing in, For this is the Message of the

There is something in this Message or rather in this little invitation that will delight your Soul. Read it, and consider, "What manner of man would do this?' It is indeed wonderful!

Time: Eight-Fifteen

It was a cold frosty night on the outside, the snow was piled up on the sidewalk as we passed along the Road, going to the 'PEACE MISSION CEN-TEN" in Jamaica, but the Fire of Love burned brightly in the hearts of that great number who sat at the beautiful Banquet Table, and those who congregated around and about the place. There were no dreary symbols or expression of unhappiness there to be seen. The Warmth of the RAYS of GOD's LOVE penetrated the atmosphere with such strength that all of the impurities of the mind, were burned up in the streeth of the Sun, and the ere was wholesome and

And day by day, and hour by hour, HE, "Our GOD," is molding and shaping the sons and daughters of men into His Likeness and making them to become to be the Children of God, and they are rejoicing continually that "they are the Temples of the Living God," and in these Temples, they will magnify their LORD and their GOD.

Come and Sup It is needless to say that the

ABUNDANCE of good things materially and socially and SPIRITUALLY was made manifest, for this is the Mark of Our Lord and Saviour, even the multitudes of people gathered together from far and near, just as they always do, for HE, "OUR FATHER," is the Standard of Perfection, and HE has said: "And I, if I be lifted up from the Earth, I will draw all men unto ME." No truer words were ever spoken, for it is never a time that there are vacant seats or unoocupied standing room, where the Name of Father Divine, has been lifted. His NAME will attract and draw the masses unto Him, and they that will hear His Voice and harden not their hearts, unto them will HE come and sup with them and

they with HIM. At this Hour, Father gave us what we all had waited for, despite the fact, that we enjoyed the testimonies immensely, and were grateful to be apprized of the marvelous things that had been wrought in the lives of the people, still, we took a definite stand at "THE FOUNT of EVERY BLESSING," and there we remained until "our cups were filled and running over with the BLESSINGS, This MESSAGE from the Lord. It was again that Father spoke on the Subject of "giving all of the GLORY to GOD," if we would be unified to the Infinite whole, and be blessed by the Lord. It is indeed wonderful! Father preceded the Message with this sweet little Song; which was

lastly sung: "I never shall forget what He's done for ME." It was the request of some at the table, that the flowers be moved that they might personally look upon Father, and in response to the request, Father sang the fol-

The Glory and the Honor and all Praises belong to HIM that liveth forever and forever. It is indeed wonderful! When you live in this recognition, and learn to "tune your hearts to sing God's Praise," by attuning yourselves to what HE says, and denying yourselves as individuals, the Spirit of Praise will rise up in you, and will inspire you with understanding whereby you will give God Praise automatically. It is indeed wonderful! When this shall have been accomplished in the individual, you will not give a person nor persons praise for anything, neither for NO THING. It is indeed wonderful "Truly wonderful Father," exclaimed the Hearers.) For the Spirit of Praise and Thanksgiving will go to HIM that liveth forever and you will be in harmony with the Great Universal Mind Substance, and God can and will express through you effectively, but the mortal mind strives to get you to give Praise and thanks to everything else, but God. ("It is true," voiced the people.)

Victory Over Limitations

I was just considering the great Mystery of the great unfoldment of the Spirit and the Presence of CHRIST, not only in that Body that was called Jesus, but in the Temples in this Dispensation. Suppose someone would have brought to your mind: "I AM the ONE, as a Person'!-They might say, "I AM the One that told Faithful Mary about Father." Suppose she was bound behind the mortal, and gave the Praises to materialism, matter, personality and individuality, the Spirit of MY Presence could not work effectively with her, for it would be limited to that version of that mortal conception, concerning the Blessing she is now receiving. The Blessings, she is receiving, they are coming freely. but when something else gets in the way, when there is another mind that comes up, when there is any idea or opinion presented, and that individual would stop or halt in the least to give praises to personality, the Spirit of MY Presence could not work effectively with that individual, neither with the one through whom these Blessings are going. It is indeed wonderful! ("It's truly wonder-

ful!" proclaimed the Listeners.) Take these thoughts to consideration, and as you said in that song of Praise: "Father, (and the devoted Lovers in their zeal rapidly spoke before the sentence was finished and said, "I never shall forget what You have done for me.") Matters not through whom cometh these Blessings, the Praise and the Honor and Thanks-They still are in Bloom, they giving belong to God. It belongs to HIM that liveth forever and ever, with or without a Person Although, you may come to this They bloom in the Winter, as place in consciousness, wherein you can recognize the actual materialization of this Fundamental PRINCIPLE, yet the great significance is to stress and recognize the PRINCIPLE, with or without the Person. It is indeed wonderful!

I mention this, for there are those of our present Age, who will strive to get you to give mortality or some individual praise. They will strive to get you to get your mind on something that is failable . It is indeed wonderful! Why? Because mortality desires to see you fail, even as it has always failed from the beginning of the Creation, but if you fix your HOPE and your HOPES on things above, on Life ETERNAL or things Eternal, you will have the tendency of living according to same, and produce the Characteristics of Eternal things in your lives, and hence, it will give you the

PEACE

Most of us think very little of peace in any form until we lose it. It is a curious characteristic of the human family to accept a satisfactory state of affairs as a matter of course and their just due whether they deserve it or not.

Peace suggests quiet, calmness, repose and is a thing which we find precious little of nowadays in the world of men. When we say "Peace" we should not only mean "Peace be with you' but also, "I have peace in my soul because the spirit of the Father dwells within."

If we analyze all of the things that are going on in the world today, we can readily see that every kind of adjustment, social, economic, racial, national or international, is aimed directly at the securing of Peace. Perhaps the most gigantic effort being put forth in this country today, the adjustment of people to new industrial, economic and governmental ideas may be boiled down to one, simple objective, the securing of peace of mind for

The elaborate program being pushed under the N. R. A. with its manifold intricacies and ramifications is just a gigantic effort to capture Peace for millions.

Thousands, perhaps millions, of people spend all of their time pursuing something that they believe represents Peace, only to find when they have captured the desired thing that they have not obtained Peace. This type of experience is as old as man. But it seems that man takes long to learn his lesson.

Man seems not to know that Peace cannot be acquired by planning or hard work. Peace is a spiritual thing which comes from within and depends not upon earthly things. Those who love the Father have Peace because He has given it to them. Father Divine has brought Peace to those who are willing and ready to accept this priceless gift. His followers have acquired Peace in the only way it may be gotten-as a gift from God.

Educators Assert Bright Pupils Find Superiority a Handicap

Unusually Gifted Children Are Said to Need Special Courses as Much as Sub-Normal Child

NEW YORK CITY.-What the to help the handicapped child, including the gifted pupils as well as those suffering from physical and mental ailments, was discussed at the second session of the national conference on the education and rehabilitation of handicapped children, at New York University.

The conference, which was openen by Chancellor Harry Woodburn Chase with a message from President Roosevelt, held under joint sponsorship of the National Council of the Physically Handicapped, the National Committee for Mental Hygience and the N. Y. U. School of Education.

of speech improvement in the New York City schools, appealed for increased facilities to care for those suffering from speech acfects. Defective speech, in addition to constituting a social and economic handicap, may "actually result in the establishing of an overt criminal attitude on part of the speech defective," she said.

Dr. Zorbaugh, who arranged the conference, said that gifted children are as much in need of special attention, as subnormal children, since they have difficulty in making life adjustments. New and Smart Uses for Taffeta Make Pleasing Riot of Bright Colors

Taffeta enters a more practical realm. It ventures forth in broad daylight. Very peppy daytime dresses are being made of this crisp silk in monotones, plaids and stripes. For morning there are blue, black and brown ones, as sedate as you please with a shirtmaker style about them - round collars, tucked bosoms and trim belts of velvet in voyant colors.

Later in the day out trot more frolicsome ones, all dressed up and ready to go with their ruffled collars and short puffed sleeves. One in particular is worthy of honorable mention, since it was a type of taffeta which looked as if it were glazed like chintz; the color was brick red, the lines black. Around the neck was a pleated

That very restrained designer, Molyneux, endorses taffeta in one of his smart ensembles, of gray tweed, consisting of skirt, cape (nearly three-quarters length) and blouse.
