

St Christopher July 12. 1810

Dear Sir,

As the state of my health
obliges me to remain for a short
time to the United States of
America, I should think it very
kind in your concerns here
which in the interim require
attention, if you will have the
goodness to address your instructions
to my friend Mr. Dawson they
will be punctually attended to.
I shall return here in the month
of October.

I am, Dear Sir,

Yours faithful M. Servt

R. M. Pickens

Mr. Dawson's address is

The Hon. William Dawson

St Christopher.

[Faint, illegible cursive handwriting on aged, yellowed paper with horizontal fold lines.]

Dear Sir

I am sorry to hear of your ill Health, and of the
necessity you are under of leaving St. Christopher's for its
improvement - you cannot doubt of my best Wishes, for the
success of your Embassy - Considering the time a Letter takes to
travel here I cannot but deplore the conciseness of your last
just received - you give me no information of the receipts of
the Plan of the Estate, I sent you, ^{by the first Packet in January last, under the} ~~not notice~~ ^{care of your friend Mr. Wildman of our Court,} ~~the contents of the~~
Letter that accompanied it ^{tho} I hope you received ^{Safe} ~~them~~ - since
which I have written to you on the subject of a new Lease to
any Candidate you will undertake to recommend ^{of whom I shall approve} who can guarantee
that Rent, ~~and interest~~, shall be regularly paid in London - ^{half yearly} as soon as
you receive this, pray let me hear from you - I thank you for
your reference to Mr. Thompson, & him for ~~his~~ permitting it to
be made - but ~~as~~ as you talk of returning to St. Kitts so soon, I had
rather my affairs should not go in other hands - But I beg to
leave as full an answer ^{as respects} to the letters I have written to you as you
can give I remain ^{your} Obedient Servant
