 I am  
 Dear Wife

I received your kind letter the other day  
 and was glad to hear that you  
 had got home once more and glad  
 to hear that you are all well as  
 for my self I am not very well  
 at this present time and I dont  
 think I ever shall be any better  
 as long as I stay here I dont think  
 I shall stay here much longer I  
 shall go before the general board  
 this week and if they dont see  
 fit to send me home they will  
 send me to the regt or to some  
 hospital but I think I shall have a  
 good site to get home for they  
 discharge all most every one that  
 comes before them but it may  
 be my luck not to get home  
 I dont think I shall go to the hospital  
 if they want I should for I think could

had better to get to the regiment, but  
 I dont no, as the carnal would had  
 every thing pay me now I have been  
 gone so long but I dont mean to get  
 every where els but home if I can  
 help it and I think I can you said  
 father wanted to no what the reason  
 was that I did not answer his letter  
 this is a dam good reason for it I have  
 not got a stamp to send this letter  
 with but I think I can find one  
 the reason I dont get and get my pay  
 is I want to wait till I have been  
 before the board and if I get my dis  
 charge I can get my pay all at once and  
 fetch it home my self and if I dont  
 get to my regiment I will draw six  
 months pay if I can and send it  
 home I will not care about this  
 next week and if you want  
 to hear from my must send  
 me some stamps for I have got  
 letters from Charles and John  
 and cant answer them this is  
 all for this time this from  
 your barhand Gauris Prady
