My Dear Papa & Mama

I got Papas letter
Thursday I do not know what

has been the matter with me

I had a very bad headache

I am shure that it is not because

I have eaten to many good things

they thought that it was measles at first

and he wished me to send it to you

about the 2nd or 3^d fellow in my class

in our class who is always kicking
my shins or ankles whenever he can
get near me, he is about 13 and
if I was to thrash him he would
get his older brother to thrash me

There is a fellow here in the 5th
form named Pigot, who is a great

sore throat and cough the doctor
has sent some cough mixture for
me Sunday evening I had a warm
bed and hot water for my feet
and went to bed early this is the
reason why I did not send my letter
before the doctor says that I shall
have to stay out for 2 or 3 days more
