

Hamilton College,

Clinton, N.Y.

Oct, 1862.

It gives me pleasure to
express my good opinion of
the character of Mr Morris
Brown Jr of Penn Yan, who
has for some time years a
student in this college.

I have confidence in his
ability, integrity & true man-
liness. His own uncommon
self control fits him in
my judgment to lead, as
well as to obey.
