Daniel Cady Cap

Sir, I have
in my possession a book
entitled "U.S. Infantry and
Rifle Tactics," which belongs
to your Son, Lieut. Cady,
and as he was my best
friend, I would like the
privilege of keeping it
in remembrance of him
who so nobly died for his
country.

I should you grant
me the favor I ask,
it would please me very
much as Lieut. Cady, was
very highly esteemed by
the company as an officer,
and by myself as a
friend. The members
of the old company all
join in sending their

respects to you and Mrs
Cady in remembrance of
their love and respect
Liam, Sergio Finisio, Clark
Fitzgerald, and myself being
to be remembered to Mrs
Cady, and also to Mrs Palmer,
Very respectfully yours I

Geo. W. H. Wright
