

Dear Mr Scoble

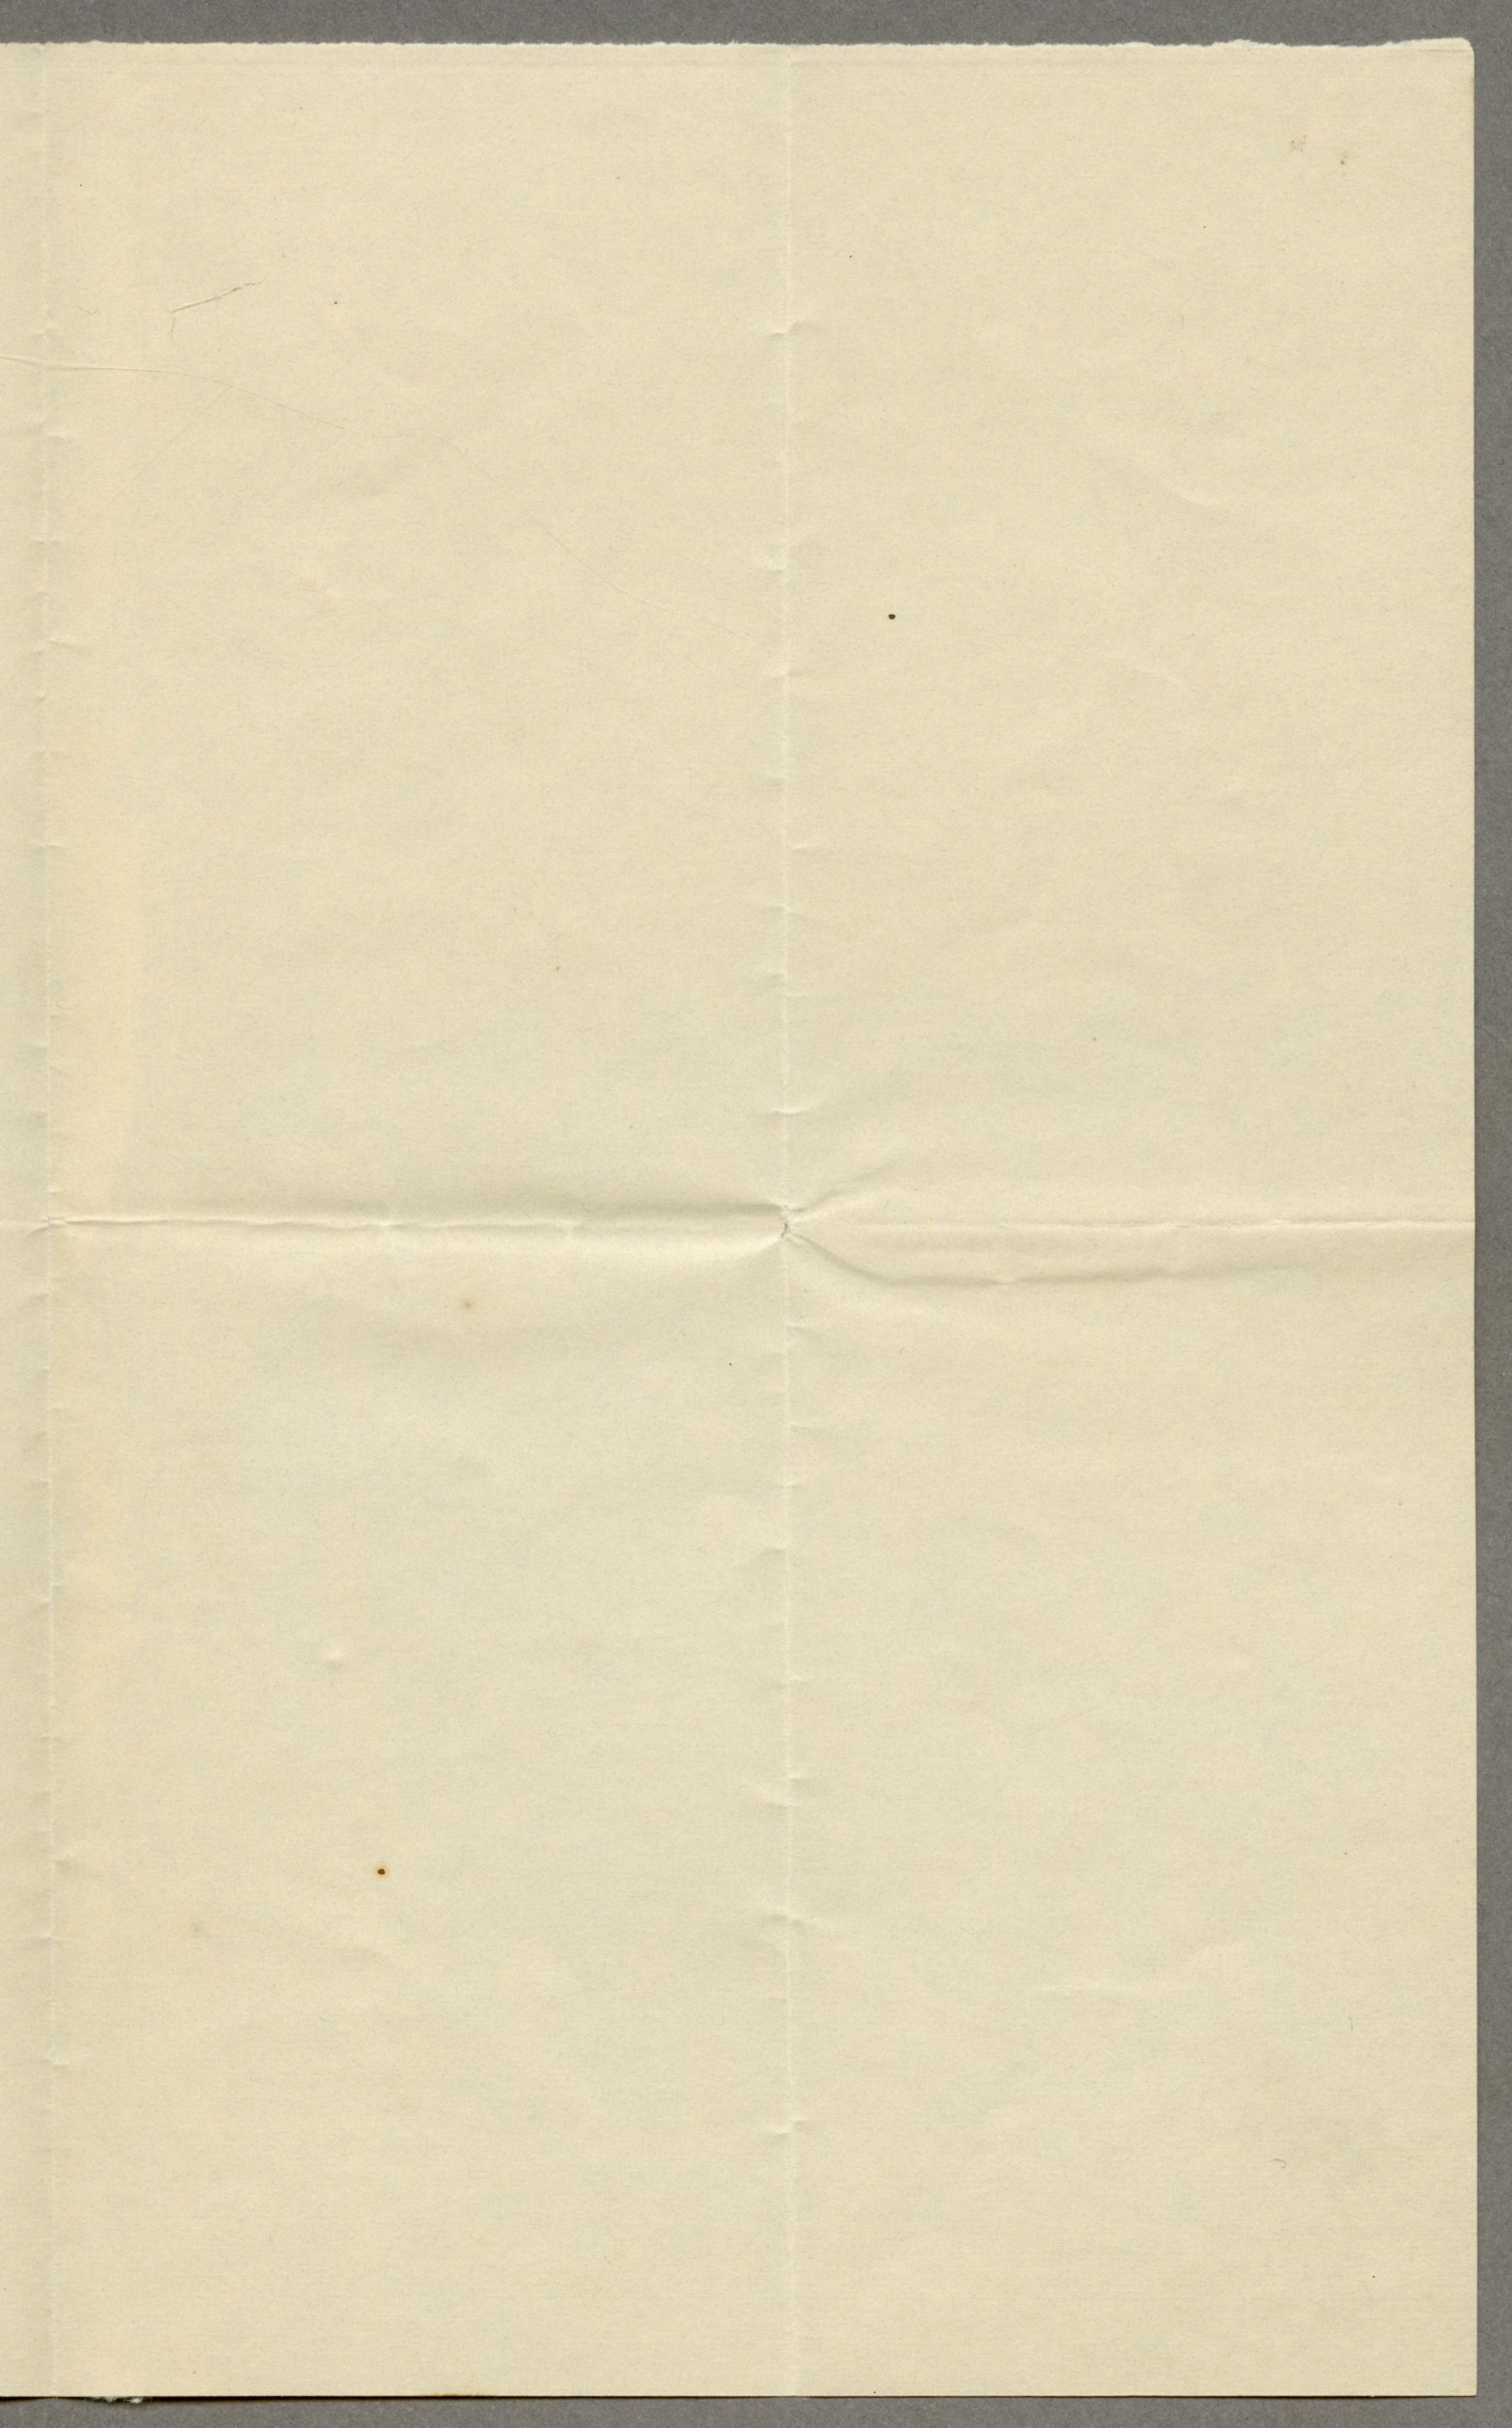

When I sent you our
Committees Address to J. R. Peck, I dropt into
it a little note of my own, which I never did be-
fore and never will do again. I thought it would
do good to our Cause. I have had a most potent
Letter from him this morning, in which though he
does not say what he will do with respect to
the Sugar Question, his Letter is so full of kind
Expressions towards me, that I believe he will soon
take the matter and do what he can to help us.
