

Woman Suffrage Convention,  
under the auspices of  
The National Woman Suffrage & Educational  
Committee, Washington D. C.

The question of the Constitutional  
right of women to citizenship & the suffrage  
having become in its political & legal relations  
a question of great & immediate importance,  
a Convention for its discussion will be held in  
the City of New York on the 11<sup>th</sup> & 12<sup>th</sup> days  
of May next at Apollo Hall, corner of  
Broadway & 38<sup>th</sup> Sts. Distinguished & able speakers  
both men & women will take part in the discussio-  
ns. There is at the present-time a demand in  
both political parties for new & vital issues,  
affording <sup>therefore</sup> a special opportunity for this question  
to assert its claim as a political one upon  
the attention of the whole country. Every man  
& woman who believes in a truly Republican form of  
government is urgently invited to attend the Convention.
