

Saints 20 April 1807

Sir

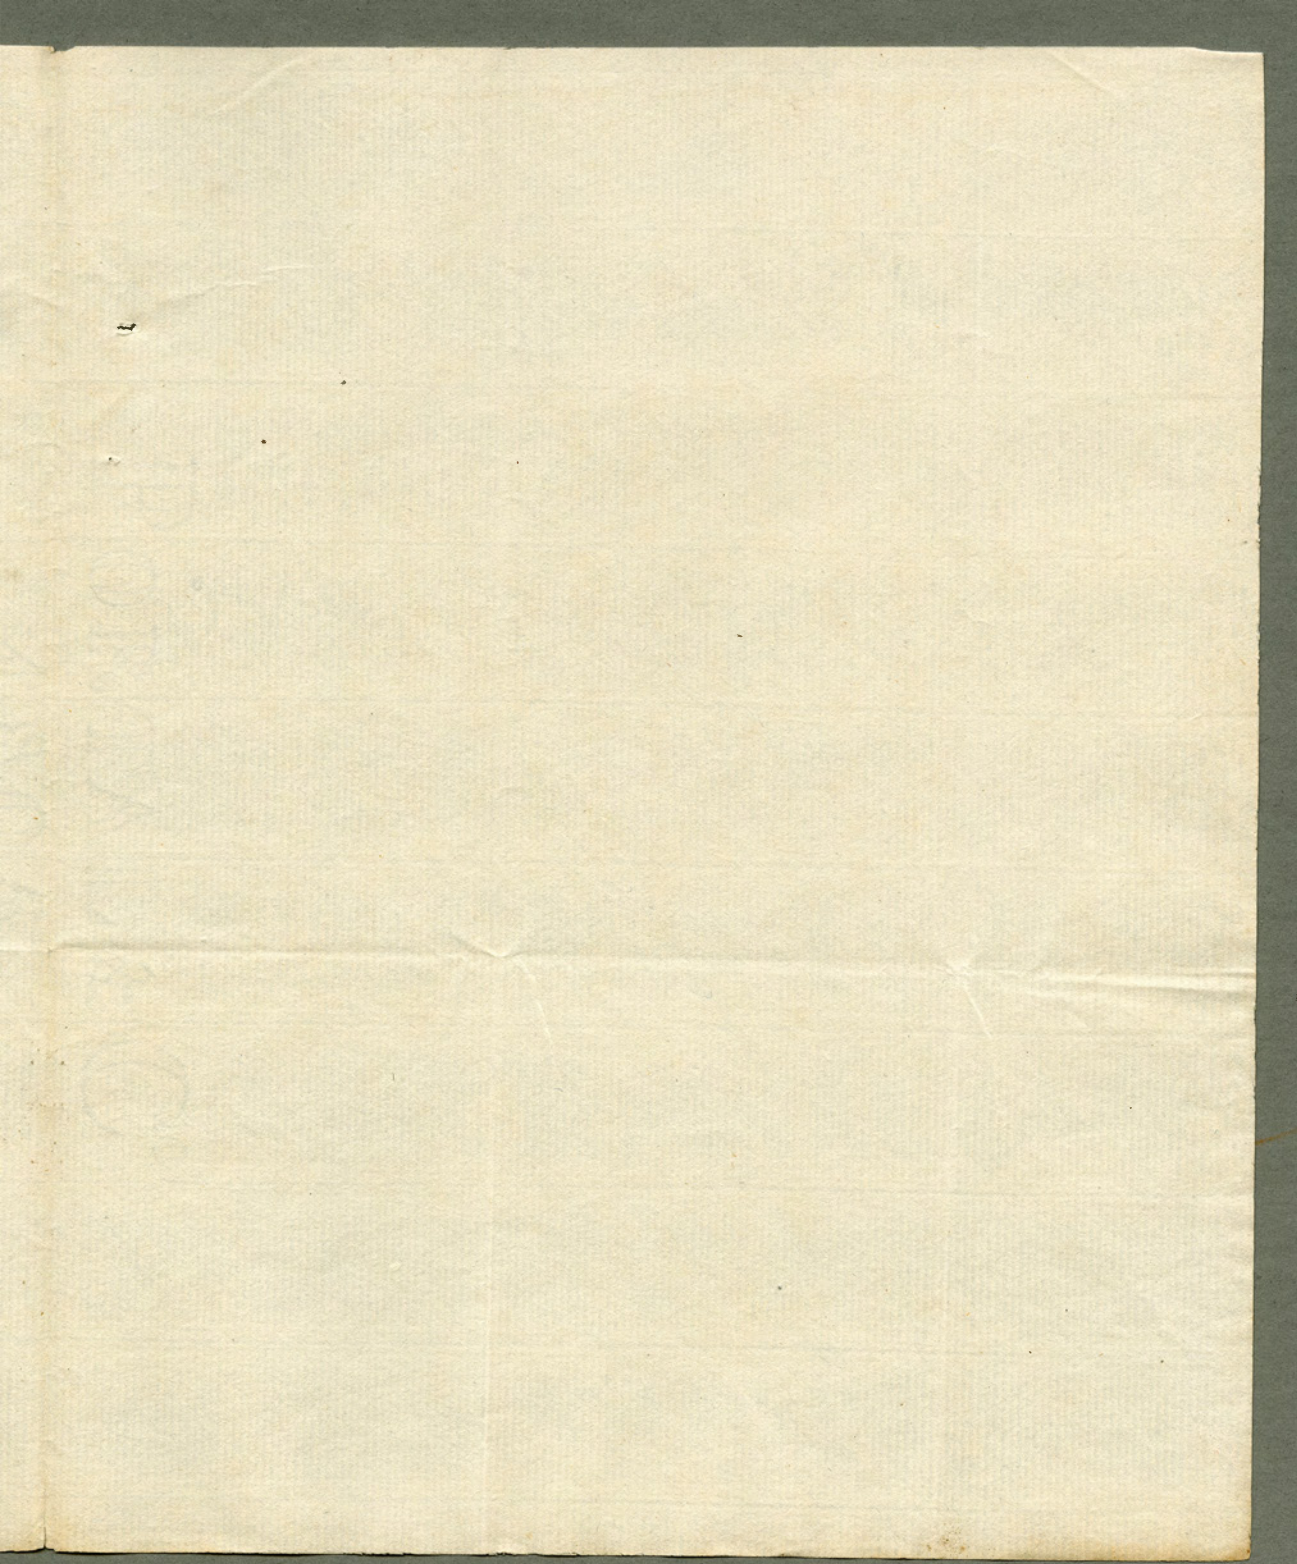

about three Weeks since, a Drogher
of Grenada was cut out from a Bay in that Island
by ^{ten} eight French prisoners of War: who had effected
their Escape from the prison Ship in that place.
There were on board the Sloop eight Slaves which
are the property of M^r. Geo. Sim Munro, as is the
Vessel — he is an Inhabitant of Grenada.

M^r. Munro has sent an Agent the Bearer
M^r. Alex. Park — to find his Vessel
vessel and I trust Your Excellency
will order the Slaves to be returned to the Owner
as has been usual in such Cases

His Excellency
General Ernouf
de & I

I have the Honor to be
Your Excellency's
Most Obedt. Servant
