The Hobart Game.

Hamilton met Hobart in a decidedly uninteresting game of baseball Monday afternoon, and after having practically won the game by a lead of seven runs allowed her opponents to pound out a victory. The fact that our team played a hard game with Union last Saturday undoubtedly had some effect on the result. From the very first, hits were made whenever and wherever desired. The large score made by both teams would seem to indicate that there were many errors, yet the runs were in a large degree earned. Soper's arm was in bad shape and as a result he was not able to keep the hits scattered. The Hobart pitcher, Williams, had the same trouble, and in the seventh inning both teams changed men, Havens substituting Soper and Limbeck substituting Williams. Hobart succeeded in hitting Havens hard and often but Hamilton found more difficulty with Limbeck.

Hamilton's team has had a shaking up since the last game on the home grounds and it looks as though the change would be for the better when the men get more accustomed to their places. Sherman has taken Bramley's place behind the bat and Bramley has gone to second base. Nixon is playing short stop and is covering the position in good shape. In the game Monday he was one of the steadiest players on the field and kept his head far better than most of the new men. The plays made each inning would make a long and tiresome list. Hardly an inning went by without the addition of from one to eight scores. It was no one's fault in particular; the whole trouble lay in the fact that every man seemed able to hit the ball into safe territory and as a result the score was large. In spite of the outcome the college should not feel disheartened. Our men hit the ball often and sure, an ability not before shown this season.

Last week Columbia received a donation of \$60,000 from a graduate of the class of '48.

The notable feature of the applications this year to the Yale bureau of self-help for graduate service is the demand from corporations for Yale men to take permanent positions, many of which are well paid. A number of the calls for teachers are for positions paying \$3,500 or more.

The Spring Field Meet.

The weather conditions were very favorable for the Spring Meet Thursday afternoon. The day was perfect, warm and still. The track however was rather hard on the back stretch and very soft on the straightaway. Most of the events proved exciting and the meet as a whole deserved much better support from the College body than it received. The crowd was very small indeed.

The event of the day was Captain Wood's performance in the two-mile run. He ran in good form, setting his own pace, and finished half a lap to the good in 10 minutes, 39 1-5 seconds. This time betters the College record by 11 4-5 seconds.

The number of Freshmen who did well was very encouraging. Grossmeyer is to be especially commended for his work in the half-mile. Peck in the broad jump surprised the field by his ability. Bagg, Meaker, Allen, Clark, Swetman, Miller, and Day all did well and promise to be good men if they persevere.

For the Sophomores, Sicard and Mann excelled in point winning. Roosa showed that he is in his regular form and good for the same old quarter gait. Thompson threw the hammer well.

There is promise of a good all-around team this year and much material for years to come. The team, from now on, will work hard for the Colgate meet next Saturday, which will be held on the campus.

The Interscholastic Entries.

Our Field Meet on Steuben Field this afternoon promises to be the most comprehensive and exciting meet the college has ever arranged. Ten schools: Auburn, Utica, Gouverneur, Potsdam, Clinton, Ogdensburg, Syracuse, Rome, Walton and Jenner's school of Syracuse, all have strong teams entered. With such a number of competitors the struggle for first place in the meet should be spirited and close. The management has carefully arranged the order of events so that they may be run off without the customary pauses. It is necessary that the contest should start promptly at the scheduled time, inasmuch as some of the contestants must return home Saturday evening.

The following men will act as officials: Referee—Prof. F. H. Wood; Starter—A. M. Drummond, '06; Track Judges—Prof. Henry White, '08, W. S. Pratt, '04, C. F. Roosa, '06; Field Judges—(Weights) M. Union 10, Hamilton 4.

At Schenectady last Saturday Union won from Hamilton by a score of 10-4. The game was played after a protest had been entered against O'Brien and Ferns, Union's catcher and pitcher. Union claimed that they were eligible since they were students of Albany Law School. Well enough, if such had been the case. But two of Hamilton's loyal alumni, who attend the above institution, informed the Hamilton manager that the questioned men were registered at Albany, but were not Law School students. Union promised to look into the facts of the case and, according to

WILLIAM FRANKLIN FULLER.

On Tuesday morning was announced the death of William Franklin Fuller, of the freshman class. It seemed an added sadness that he should be taken so suddenly and just when the four happy years of college life were still before him. Our acquaintance with him had only begun, but we had come to admire his quiet, manly way, his perseverance, and his earnestness. We wish that time had allowed us to know him better, that with his closest comrades all might have shared the deeper feelings of college friendship. Words of consolation at best are harsh to those who love him, but our sympathy, deep and true, must find expression, and in this public way we speak it to all those on whom this sudden grief weighs heaviest.

FRATERNITY BASEBALL.

We are glad to hear that someone has conceived the idea of a series of interfraternity baseball games. Already one game has been played, and several challenges have been received by the winners. It is to be hoped that the present interest will continue and that the series can be played out. If some additional incentive is needed let the crowds contribute for a championship cup or banner to be awarded at the end of the season. Outside of the fun that these games afford, they are useful in keeping alive and cherishing the good feeling which now prevails between the different crowds. The old factional spirit which four years ago was such an obstacle in this joyful college life, has entirely disappeared, and any movement which tends to bring us still nearer together as members of one college, should be favored and encouraged.

UNION'S PROMPT ACTION.

The attention of the college body is called to the letter received by the Advisory Board, from the athletic authorities at Union. It is greatly to be regretted that professional or intelligible men should be called into amateur athletics. When such men occupy positions on a college team, certainly all the pleasure of friendly rivalry ceases. But in this instance the student body of Union was so evidently ignorant of the standing of the protested men, that no blame or censure whatever belongs to the institution. The prompt action taken by the students at Schenectady to investigate the protest, deserves the highest praise, and no one can question Union's desire to have strictly amateur athletes represent her. The entire guilt of this unpleasant occurrence should apparently be placed on the manager and captain of the baseball team, not on the university.

DUTY TO THE COLLEGE.

Two articles have appeared in LIFE lately impressing upon the college body that courtesy is required of every Hamilton man, no matter who or where he may be. But so far this request seems to have fallen on ears that refuse to hear. Personal criticism of players or an umpire in a baseball game is a thing which ought not to be countenanced by the fellows in college, and to their credit it may be said that the greater part of the men here are strongly opposed to it. But last Monday there were a few spectators who persisted in this ungentlemanly conduct even after they had been asked to keep quiet by the players themselves, who realized that it was doing no good and that it would only make matters worse. An umpire who does not seem fair will not be propitiated by jeers and taunts. It is high time that some of the fellows made a change in their actions, and we hope that the next game will see every man on the field cheering the team but doing it in such a way that it shall cast no reflections on the college or the players.

Changes in the Football Rules.

There have been some changes made in the rules that are to govern football next year which seem to be a step in advance. One of the most important and a rule that will meet a long standing objection is that which says that a goal from the field shall count but four

points instead of five as it has in the past. Also six men are required in the scrimmage line on any part of the field. If five men are played behind the line one must be outside the end. Again the quarterback may run with the ball both inside and outside the twenty-five yard lines providing he goes five yards out from the center. The duties of the linesman have been increased. Hereafter he is to watch officially over measurements, tripping the ends when going down on a kick, and also rough play in the line and with the fullback after he has delivered a kick. There is also a new rule in regard to blocked kicks which will prevent scoring on a "fluke." This rule provides that the ball when blocked shall go to the side blocking the kick and be put in play where the ball was blocked. These changes were proposed by the intercollegiate committee and will give general satisfaction throughout the football world.

Tennis Match With Union.

Hamilton's first intercollegiate tennis tournament will be played with Union on the college courts, Friday, May 2. The contest will include 4 singles, best two sets out of three, and in case of a tie, a deciding match will be played between the two men who draw positions by ballot. There will be two matches of doubles. Richardson, Day, Mills and Sicard will play singles and Richardson and Sicard doubles. Any one may challenge one of these men, and defeating him 3 sets out of 5 take his place on the team. A small admission fee will be charged and the hearty support of the college is desired.

A challenge has been received from Syracuse University and will be accepted. The date suggested by Syracuse is June 4th.

Union's Apology.

Below is a letter of apology received by the Advisory Board from the Athletic Board of Union College. It shows clearly that the college body was entirely ignorant of the true status of the men who were protested by Manager Paton at Saturday's game in Schenectady.

ATHLETIC BOARD OF UNION COLLEGE.

Schenectady, N. Y., May 10, 1904.

To the Athletic Council, Hamilton College, Clinton, N. Y.:

Gentlemen—The eligibility of J. F. O'Brien and John Ferns to play upon the Union University baseball team hav-

ing been questioned, the Athletic Board has made a thorough investigation. Until then we had not doubted the validity of the certificate presented to us at the beginning of the season, as provided by our rules, stating that our five law school candidates for the baseball team were duly registered students in good and regular standing.

We have found, however, that this certificate, though in proper form and signed by the secretary of the law school, was in error in the case of Ferns and O'Brien.

We have therefore caused these two men to be removed from the team; we are surprised that concerning their lack of standing we should have remained so long in ignorance, something which could not have happened had our law school been situated in Schenectady; and we desire to offer the above explanation of the situation to you, together with an expression of our deep regret that we did not learn of the matter sooner, and that Union University should have played against you men who were not entitled to represent it.

We have sent letters similar to this to the other colleges with which we have played this season, namely, Williams and West Point.

Very truly yours,
H. L. TOWN, President.
HOWARD OPDYKE,
Chairman Ex. Com.

For the Athletic Board of Union College.

Syracuse Wins in Chess.

The second annual chess tournament with Syracuse University was decided Monday in Silliman Hall. Play was begun in the afternoon and prolonged into the evening. For Hamilton Richardson and Driscoll broke even with their opponents, Pound lost both of his games. Driscoll gave a clever exhibition of scientific playing in his first match. Three boards were played, each team having alternately the attack and defense. Syracuse showed up especially strong in her offensive play. F. Watson acted as referee. The tournament next year will be played at Syracuse.

A challenge has been received from the Rochester University chess team for a three board match, to be played the last of May.

The Athletic Association of Rutgers College has decided to establish a Press Club to consist of two juniors, one sophomore, and one freshman. These members are to be elected by the association, and are to send athletic items to the nearby papers. The manager of each team is to defray the expenses incurred in publishing items relating to his team.

—The tennis management is very active this year. They have arranged good matches and are also after their share of subscriptions.

—Five minutes after Manager Davis posted his tournament notice, Mills, '05, received five challenges. He is a busy man these days.

—The freshmen played the Waterville baseball team last Thursday afternoon. The score, after an exciting game, was 21-12.

—The appearance of so many members of the faculty at the ball game Monday, showed that they are interested in college athletics.

—Prof. Wood delivered an address before the Young Men's Club of Norwich, Tuesday evening. His topic was "Some Opinions of an Optimist."

—The board walk up the hill should be repaired. It is not only dangerous in its present condition but presents a very poor appearance to visitors.

—The D. T. has elected the following men from the Freshman class: Schwartz, Koults, Swetman, G. Clark, Getman, Rood, Allen, E. Clark, Peck, J. G. Clark, and Riggs.

—It would hardly seem possible that any man in the student body should have to be told his duty towards college athletics. One of these is to pay his subscriptions. His obligations, however, do not rest here. Imagine a ball game with no spectators. Imagine a team trying to win with no cheering. If everyone had thought the same as the dozen fellows who passed Tuesday afternoon around South, the imaginary case would have been a fact.

—The apology from Union regarding their professional battery played against us last week, was due largely to the efforts of Van Allen, '02, and Drummond, '02, both of Albany Law School.

—The following men have been appointed to act on the executive committee for Commencement: Hutten, chairman, Strickland, Sherman, Bristol, Ferguson, Collins, Wills, Price, and Davis.

—In the baseball game between the Alpha Deltas and Emersonians last Saturday, the former were victorious by a score of 18-12. The next inter-fraternity game will be played by the Alpha Deltas and Sigs on Wednesday.

—It is too bad that the thief around this Hill cannot rest one day in seven. The gentleman who "borrowed" the blue and buff track jersey from the Gym. last Sunday, certainly lets no opportunities pass unnoticed. It might be better to take up subscription among the students to furnish the unknown friend with clothes and magazines, than to let him continue this pilfering course.

Resolutions of Sympathy.

Whereas: It has pleased the Almighty, in His wisdom, to call from among us our dear brother, William Franklin Fuller; and whereas, as a true friend and comrade his absence will be sorely felt; be it resolved, that we his brothers in the Emerson Literary Society, extend our heartfelt sympathy to his bereaved parents; and be it further resolved, that these resolutions be printed in the College publications and that they be entered in the records of the society.

WM. F. GROSSMEYER, '07.

We, the class of nineteen hundred and seven, of Hamilton College, deeply mourn the death of our beloved classmate and friend, William Franklin Fuller. While we recognize and submit to the will of Almighty God in removing him from our midst, we feel keenly that we have lost a firm friend.

We will miss his cheerful voice always greeting us with pleasant words. We will miss his face, so bright that every task seemed a pleasure to him.

As we held him dear we extend to those nearest him our heartfelt sympathy and condolence.

Y. M. C. A. Notes.

At the 5 o'clock meeting tomorrow Prof. Wood is to speak. It is an important meeting and a large attendance is especially requested. The music committee will see that the singing is good. Extra selections will be provided.

The memorial service for Dr. Terrett was an informal yet impressive meeting. It proved that Dr. Terrett still lives in the heart of the college. The forty-five men who were present went to the cemetery at the close of the meeting in Silliman Hall and joined with the quartette in singing Dr. Terrett's favorite hymn, "Nearer My God to Thee."

It has been suggested that one Sunday afternoon meeting be given over to the Seniors, to be conducted as they see fit. This meeting will occur before Senior vacation. The object is to have as many Seniors as possible present, partly that they may be together as a class in their last Y. M. C. A. meeting, and partly that the other classes may have this opportunity of receiving from the Seniors any words of advice and counsel that they may wish to impart.
