

P. 1

As I have had occasion to request you would
prepare for your signature a Power of Attorney
to Mr. Putwood of St. Kitts for the purpose of
authorizing him to inspect on your behalf
the Estate called Old Road Est. Mayfield manor
belonging to you I am to send Romney
to see that the buildings there be in
due repair & the conveniences in the house
performed to, but it appears to us
from what we collect from his letter
that a letter addressed from yourself to
Mr. Putwood authorizing or requesting him
to do what you wish would equally answer
the purpose that the Expense & trouble
of sending out a Power may be avoided

but as we are not wholly acquainted with
the object of your w^{ch} paper a Power being
sent out to Mr Pukwood who is on the
spot thinks it necessary we will
endeavor to frame one for the purpose
forward to you for your signature
in which case we will thank you
to send us the extracts of that part of
Mr Pukwood's letter relating to this
subject & enclose them.

As you are absent

Handwritten text, possibly a signature or address, written vertically in the bottom left corner. The text is difficult to decipher but appears to include several lines of cursive script.
