FATHER DIVINE

Living According to the Life and Teaching Of Christ Is Most Important if We Would Fully Enjoy the Blessings of Life Eternal Father Divine Points the Way — He Explains Omnipotence and Omniscience of God

Father Divine's Remarks at the Banquet Table, 20 West 115th Street, New York City, Wednesday, February 21st, 1934. 11:00 A. M.

That the Omniscience of God has been brought to the material plane for the common good of all mankind, and is present in their midst, could not be doubted by any who were present around the great Banquet Table of Father Divine at 20 West 115th street, New York City, on the Morning of February 21st, neither can it be doubted by any to whom this Message may come.

What, but the Wisdom of God could, in a few brief remarks, deal with the future of Aviation, make clear to the smallest child the mysteries of reincarnation that have been hid from the Sages of the Ages, reveal God's Plan for a 'Vanishing City,' to carry ten Million passengers from this Planet to other Planets and name the year, speak with Authority of His dealing in the affairs of State and Nation, — declare His ability to find any lost article and prove it, — and be just as operative without a Body as with it? What, but the Mind of God could be so comprehensive? What but the LOVE of God, would pour out these treasures as a free gift to the World, when men are willing to pay, and have paid, large sums of money to get at these mysteries?

These were a few of the things that Father unfolded in the course of an hour, as He Spoke in Person at His Immaculate Banquet Table. Of great concern to the Throng, were His remarks about the 'Vanishing City,' and many

renewed their determination to walk so closely with Him in Spirit and in Mind and in body, that they could stay in their present bodies the Five Hundred and Ninety-one years before the 'Vanishing City,' — as 'Enoch walked and talked with God until God took him.'

Father Sings Before speaking of the 'Vanishing City,' however, Father Sang and spoke briefly as follows: — 'House to house, house to house, house to house canvas, Carrying the Message everywhere I go, etc.'

Here and there I will meet a loving Brother, Carrying the Message everywhere I go, etc. That believes, and will trust in God, your Father, — In carrying this Message everywhere I go, etc.'

From City to City, City to City, City to City canvas, Carrying the Message everywhere I go, etc., Continuing, — From Town to Town, — From Village to Village, From District to District, — From State to State, — From Country to Country, etc.'

"Good health, good will, and good appetite, and Peace and

Good Will to the World at Large. This Message to you I bring. House to house, house to house, house to house, I am canvassing, 'carrying the Message' everywhere I go. Here and there you will meet a loving Brother, — Carrying the Message everywhere I go, — That believes, and will trust in God, your Father, — In carrying this Message everywhere I go, etc. For this cause you are happy, and I Am Glad. Then I can continue to sing with you, — 'From City to City, from City to City, from City to City, from City to City canvas, — I am carrying the Message everywhere I go, — Here and there you will meet a loving Sister, — Carrying the Message everywhere I go, — That believes this Message of Christ, your Saviour, — In carrying this Message everywhere I go, etc. This Message is going from shore to shore, and from land to land.

Our Foundation For this purpose I came, and for this cause I stand in the midst of you, in the likeness of any other man, after the similitude of men, but something that transcends all of their human imaginations. It is indeed Wonderful! This Message is that which was spoken of by the mouth of the Apostle, saying on one occasion, — 'It is known unto you, and unto all of the People of Israel, that by the Name of Jesus Christ of Nazareth, whom ye Crucified, whom God raised from the dead, even by Him doth this man stand here before you whole... neither is there Salvation in any other; for there is none other name under Heaven, given among men, whereby we must be saved.' Upon this Foundation...

Faithful Mary Tells of Peace Through Faith

Lecture given Monday morning, February 26th:

Peace Father Dear, It is truly indeed Wonderful, to be in this great life thanking Father for this Peace, Joy and Happiness. Oh, how I thank Him right now just thinking about how it is snowing outside and Father has come and seen fit to pick me up out of sin and shame and save me from all of my many sins and take me out of the garbage can. I don't know how you all feel, but we all ought to feel the richest in the world with all this Peace, Joy and Happiness. Now children, let us praise God with all our hearts and minds, because there isn't any one fooling Father Divine — you are only fooling your own selves. You see Father is so sweet and meek and humble. Father has mercy on everybody. So many have taken Father for a man and that is why you are going to fool your own selves. Father knows when some try to come in sideways with speculation in their minds, and I thank Father for His eye and His Mind and for all things because no man can put himself with Father Divine.

Now I want to say that some of you all tried to buy a ticket to the banquet table. I don't need to watch any of you all, but Oh, that Spirit of Father Divine's, it just tells me every time when a man is trying to do something against this Truth, for you all know there are no tickets sold for the banquet. Now children, don't do anything when Father is not in person that you would not do when He is right there looking at you in person, because Father Divine is a Spirit wrapped up in flesh and he sees all you do and hears all you say. The reason I know He is because when I first went to Father's meeting, I asked Him to heal me and promised that I would serve Him (speaking within) and He heard me, and I thank Him, too, with all my heart. Now, if I want anything, I ask nobody but Father Divine and I just thank Him and say, "Thank you Father." Oh, it is so wonderful to be in this Truth and I could say so much, but we will rise now and do some practical work, as the time seems to be well expired. I thank you Father.

Kaiser's Son Begs Funds to Assist in Relief of Germans

BERLIN.—Prince August Wilhelm begged for coins before the old Hohenzollern palace.

Crowds on Unter der Linden formed in line so they could drop pennings into the money box of the prince, who, as a group commander of the Nazi Supreme Storm Troops, took his turn on a street corner with other Nazi officials, to solicit money for the Winter relief fund.

Prince August Wilhelm, 47, fourth son of former Kaiser Wilhelm, started collecting coins with boyish exuberance. When a trumpet beside him sounded his bugle, as a signal for the drive to start, people started running from all sections toward the prince. The prince saluted each person in Nazi fashion and received a salute in return as coins clinked into his box. He said smilingly: "Walk right up, ladies and gentlemen, step right up and don't stand waiting."

At times the crowd was so large he had to lift his box high and pass it over the heads of those nearest him so others could contribute.

New York Society Issues 755,272 Bibles in 1933

According to the 124th annual report of the New York Bible Society, just issued, 755,272 volumes of the Holy Scriptures were placed in eager hands during 1933. Immigrants are met at piers and on Ellis Island, as they have been for a hundred years, and there is presented to each of these people of foreign birth a Bible or a Book of the Bible in his native tongue. The society is supported by collections from the churches and contributions from individuals. The number of Bibles distributed is limited strictly by the income received, as the society never incurs a deficit.

Father Brings Message of Cheer to Those Gathered Around Banquet Table

Colonel Hubert Julian Expresses His Love and Devotion to Father and Pledges Future Service

Beautiful Sunday Meeting Filled With Happiness and Enthusiasm Because of Many Blessings

Father Divine's Remarks at the Banquet Table, 150-160 West 126th Street, New York City, Sunday, February 25th, 1934. 11:15 A. M.

The beautiful new Extension of the Kingdom at 150-160 West 126th street, New York City, glistened in white, within and without, as the snow fell outside, and its warm marble halls opened to receive the thousands that thronged there on Sunday Morning, February 25th, drawn by Father's Personal Presence. The Abundance of every good thing filled not only the Building, but the hearts and minds of the people and even the very atmosphere, — as Throngs pressed their way into the Dining Hall where Father's great white Banquet Table stretched out in double array, as long almost, as a City Block.

Faith Will Save It was as though it had come out of the Sky, as it all stood in its Purity and Perfection before the eyes of the World, and the investigators could not readily explain the origin of the snowflake that fell from the Sky, than they could explain the origin of this expression, for it had come from the Invisible through Faith, as all Blessings of God do. It could not possibly have come from that old wrecked body, reeking with liquor and in the last stage of T.B., that two years before, on such a snowy morning as this would have been making its way through the streets of the most degraded section of Newark, looking for food in the garbage cans. Yet that was all they could find in their way of expression, for the hand of Faithful Mary, when that old body had disappeared, dispensed, without taking collections, solicitations, or donations, all the funds to maintain this establishment, and another in Newark, feeding thousands of the unemployed, supplying many with homes, and operating a fleet of automobiles and busses in connection with the work.

The answer to it all, however, and the Source, was plainly to be seen in three things: — 1st, a large Sign in the Meeting Auditorium, 'FATHER DIVINE IS GOD'; — 2nd, a similar Sign in the Dining Room reading, 'FATHER DIVINE'S DINING ROOM'; — and 3rd, in the Song sung by Faithful Mary at the Banquet Table on this occasion.

Only to be nothing at all, only to answer His Call, Only to be nothing at all, to be nothing, nothing at all, and in her testimony so often given, that 'All the Glory to God belongs' and that it was only through her Faith, and continued mental and spiritual contact with Father, that she had been healed and blessed, and not through calling upon Him Personally, or doing anything personally.

As Father Personally served the Banquet Table on this occasion, Thanksgiving and Praise came forth from Thousands of hearts, for these Wonderful blessings, and many expressed their Love and devotion, and pledged themselves to future Service, one of whom was the Aviator, Colonel Hubert Julian. Following this, a Song came forth from the Assembly by Inspiration, as follows: —

'Everybody needs Father to fix it for them, Everybody needs Father to help them on their way, Everybody needs Father to fix it for them, Everybody needs Father Divine.' Continuing with: — 'The rich man needs Father, etc. The poor man needs Father, etc. The sick man needs Father, etc.'

The Great Teacher At the conclusion of the Song, Father arose Personally, and in the midst of mighty applause, poured forth a pure Stream of

Living Waters from His Omniscience, as follows:

"Good health, good appetite, and a good Assembly! It is indeed Wonderful! While sitting thinking of the Wonderful unfolding of My Spirit, I was considering your testimonies, your songs, and your Praises, and considering the great significance of continuing to say one thing that is needful, — or necessary, whichever. It is indeed Wonderful! Remember, when you first began your intellectual career in your infancy, you were taught to say three words especially, and those were three words, as being three letters, A—B—C, it is Wonderful! Also in your mathematical career, you were taught from that subject or point of view, to begin with 1—2—3. These three words and these three letters you said, and you kept saying and repeating them over and over again until your subconscious mind grasped them, after they had been in your conscious mentality. When your conscious mentality became accustomed to saying them, your subconscious mind accepted them, — your subconscious mind being your mental vocabulary, — and there they settled, to live forever, those three letters, those three words, those three figures. It is indeed Wonderful! Continue to say anything over and over again, and after-a-while it will get accustomed to your conscious mentality, or your conscious mind will get accustomed to saying it. As you say it with your mouth, your mind becomes a partaker of it, and after-a-while when your conscious mentality gets accustomed to it, your subconscious mind will swallow it up. When it gets in your subconscious mind you cannot help yourselves, and then there that very word will take control of your bodily form at times, and unthoughtfully, unconsideringly, you will speak the word. It is indeed Wonderful!

Through Infinite Love

That is why I say so often, don't say it unless you mean it. You continue to say it, and say it, and say it, and after-a-while it gets in your conscious mentality, and your conscious mentality begets your subconscious mind with it, and your subconscious mind will give birth to it in any emergency. It is indeed Wonderful! And that is the mystery of My Presence being uppermost in your subconsciousness. Subconsciously, My Mind, and My Lord, and My Name, they have been conceived in your subconscious mind, and spontaneously they come forth into action whenever an emergency calls for it. Then I say, don't continue to say you Love Me, unless you do. ('Oh Father, You know we do,' — came from the Assembly with enthusiasm.) This magnetic current of Infinite Love is 'reciprocal' — It is indeed Wonderful! — and as you say it stressfully and it gets in your conscious mentality, uppermost, even when you are unthoughtful concerning same, your attentions will be called to it. It is indeed Wonderful!

Therefore, when you are saying what you will do, — saying all of these beautiful sayings, and telling both Me and others these beautiful things, the very Spirit of My Mind is recording it, and when you cast your votes, if you as individuals be failures, the promise goes on. It is indeed Wonderful! I was calling the attention of some of the Representatives this other day particularly to all of the famous and note-worthy men of our present Day. They have cast their votes with Me, even if they have since then turned away. It is indeed Wonderful! Therefore I say, if you once cast your vote, I confirm your testimonies and your pledges, and confirming them I will carry them on My Records. — It is indeed Wonderful, — for all of the Glory belongs (Continued on Page Three)

Protestant Survey Lists 85,000 'Feeble' Churches

Thousands of Clergymen Are Jobless—Many Are Poverty-Stricken

(From the N. Y. Times)

Thousands of "superfluous" Protestant ministers are among the unemployed and there is a large surplus of "poverty-stricken" churches throughout the country, according to a report made public yesterday by the Institute of Social and Religious Research of New York, under the title "The Education of American Ministers."

The report, in four volumes, is based on a three-year survey of Protestant theological education in the United States and Canada.

Professor Mark A. May, head of the Institute of Human Relations at Yale University, directed the survey. Professor William Adams Brown of Union Theological Seminary was theological consultant. The study was undertaken jointly by the Institute of Social and Religious Research and the Conference of Theological Seminaries.

Excess of Weak Churches

There is an excess of at least 85,000 feeble churches in the United States, which are unable to support the full-time services of either a trained or untrained minister," according to the report, which defines a trained minister as one who has been graduated from a seminary. "The probabilities are that less than a fourth of the Protestant churches are employing seminary graduates on full time; and less than one-sixth are employing graduates of both college and seminary on full time."

Dr. May asserts that this lack of opportunity for trained men partly explains why "the general educational level of the Protestant ministry has been declining for the past hundred years." In 1926, when the last religious census was taken, the report shows, "at least two-fifths and probably as many as half of Protestant ministers, were not graduates of either a college or a seminary."

"The data indicate," the report continued, "that a church must have about 350 members in order to adequately support a well-trained minister. Only 10 or 13 per cent of Protestant white churches meet this standard."

"There are now in the pastorates of the leading white denominations as many trained ministers as there are pastorates that can support them. Furthermore, the seminaries are each year sending into the pastorate enough trained men to fill to vacancies and take care of expansion in those parishes that can support trained men. If the seminaries should suddenly increase their output they would have great difficulty in placing their men in sustaining pastorates."

"The situation is further complicated by a tremendous oversupply of untrained men. The statistics show that after generous allowances have been made for the number of ordained ministers who are engaged in non-pastoral religious work such as teaching, administration, etc., there was an oversupply in 1930 of between 40,000 and 50,000."

Salaries Found Small

The report emphasizes that the average salary of all ministers in 1928 was "about equal to the wages of semi-skilled workers."

Pastors who have had college and seminary education, according to the report, are "far more successful" than those who have not.

In criticism of the seminaries, the report asserts that they are generally inadequate in library staffs and books.

Dr. May urges that ministerial training in the future be a cooperative enterprise.

"The need," he says, "for closer cooperation among seminaries, local churches and denominational boards is one of the basic conclusions of this entire study. All the facts point toward it. It appears that training for future ministers involves a cooperative and

educational attack on the problems."

Without such a solution, he goes on, "adequate recruiting, intelligent planning, control of the profession and adequately trained men are idle dreams."

"The task of the future is threefold," says the report. "First, the functions of the church as an institution of organized religion must be redefined. Second, the profession of the ministry must be redefined in terms of the type of religious leadership which present local, national and international conditions demand. Third, institutions that train ministers must organize their work in ways best adapted to secure the type of religious leadership which life in the present age demands."

Dr. Brown emphasizes the difficulties confronting the minister who desires to take a constructive attitude toward controversial social and economic questions of the day.

"Often," he says, "his sympathies may lie in a certain direction, but the prevailing temper of his congregation is of a different kind. If he speaks out he may make his position untenable and lose even the little influence that he now possesses. If he is silent he has an uneasy conscience, as of one evading a plain responsibility. Many ministers take the safe side and are content to deal lightly if at all with controversial ethical questions."

"This is not due necessarily to cowardice. It is due in part to honest perplexity as to the right course to take."

Advisory Group Is to Plan Aid for the Virgin Islands

Comprehensive Plan Is Launched for the Economic Advancement of People—Will Be Partially Financed

WASHINGTON.—President Roosevelt today named an advisory council to organize a plan for the social and economic advancement of the people of the Virgin Islands to be financed from public works funds. It was the Virgin Islands to which President Hoover referred as a "poorhouse."

The advisory council includes the Secretary of the Interior, the Secretary of Agriculture and the following members:

Alfred E. Stern, of Chicago; George Foster Peabody, of Saratoga Springs, N. Y.; Walter White, of New York City; Dr. Mordecai W. Johnson, president of Howard University, and Charles W. Taussig, of New York City.

Mr. Taussig now is in the Virgin Islands organizing a government-fostered rum production program.

The President addressed the following letter to Secretary of the Interior Harold I. Ickes:

"The Administration has formulated a comprehensive plan for the social and economic advancement of the people of the Virgin Islands, which is being financed from public works funds. For the first time, sufficient capital is available to develop a well rounded program which I believe will bring a permanent benefit to the Islands if properly executed. The economic phases will be conducted on a non-profit-sharing basis and will include the development of cane lands and the operation of sugar mills and a rum distillery. Coincidentally, the social aspects will be cared for through adult education, nursery schools, homesteading and improved housing conditions. Co-operative methods will be used wherever practicable, which will enable these people to help themselves toward an improved standard of living.

Turks Consider Five Year Plan For Industry

ISTANBUL.—Ever since the proclamation of the Turkish Republic, eleven years ago, a search has been made for an economic formula best suited to a country which in the past, relied on foreign manufactured goods and allowed its economic and financial policy to be directed by foreigners.

There are signs that the search is nearing an end and that the Kemalists, or governing party—called after Mustapha Kemal Pasha, President of the republic—have found what they want.

The formula consists of "semi-state control" over all commerce and industry. It will be applied by means of a five-year economic plan, which, it is hoped, will make Turkey an independent industrial state.

Soviet Russia, Turkey's neighbor and close ally, has given an example in state-controlled trading, and the Turkish five-year plan is modeled on that of Moscow. Turkish economic experts have visited Russia and studied the Soviet system, while Russian technicians have traveled all over Turkey to acquaint themselves with local needs and conditions.

Russia Extends Credit

The plan is being launched this spring, and it is reckoned that its application will cost about \$40,000,000. The bulk of this will be provided by the Turkish Treasury, but the Soviet government has opened a credit for Turkey of \$8,000,000 (gold). This credit will chiefly take the form of agricultural land textile machinery.

Ismet Pasha, who has been Mustapha Kemal's trusty Prime Minister for almost a decade, and Mahmud Jelal Bey, the young and energetic Minister of National Economy, are in charge of the five-year plan.

Christian Science Church Loses Member Who Becomes Follower of Father Divine

Resigns From Science Church After Hearing Father Divine—Declares He Is the Great Teacher of Love, Truth

Asks Members of Christian Science Board Why They Do Not Invite Him to Lecture in Their Churches

A Living Vibrating Embodiment
Hill Street,
Belmont Hotel,
Los Angeles, Cal.

Dear Mrs. Reimers,
I read with great interest and handclapping an item in the N. Y. News about your resignation from the Mother Church and your saying that it was the fulfillment of Mrs. Eddy's prophesy—(The Fundamental Principle).

Perhaps you'd be interested to know about Mrs. Eddy's two books "Perpetuation" and "Divine Perception"—"Divine Perception" is a book wherein Mother Eddy points a cosmic finger to New York City and—Father Divine as a living Vibrating Embodiment of the Spirit of the Consciousness of the Presence of God—and goes on to explain why! "Perpetuation" is in Sonship Degree language. Sells for \$2.50 plus mail charge. "Divine Perception" I gave to Father to help me decide My way out to mimeograph it for His beloved followers.

I am so happy, dear Mrs. Reimers, I just want to be a kindred Spirit to you.
Yours in Father's Spirit,
Patricia Strine.

Mrs. Augusta Reimers,
5 West 102nd Street,
New York, N. Y.

Dear Mrs. Reimers:
Your letter to Miss Violet Ker Seymour of the Editorial Department of the Christian Science Journal, Sentinel, and Herald, has been referred to us for attention.

Your statements indicate that you have become deeply interested in the doctrines of one, "Father Divine," and that you feel his teachings are in advance of those of our Leader, Mary Baker Eddy. We are not passing in any way upon the teachings of Reverend Divine, or upon his activities, except to say that we do not understand that he claims to be a Christian Scientist or that he conforms to the teachings of Mrs. Eddy. We must remind you, however, that one who is a member of The Mother Church is required to conform to Mrs. Eddy's teachings as set forth in her textbook, "Science and Health with Key to the Scriptures," (see Church Manual, Article IV, Section 1).

Your letter also indicates that you are endeavoring to combine or mix the teachings of Reverend Divine with those of Mrs. Eddy. It is a fact, such a procedure is not consistent with continued membership in the Mother Church. We, therefore, recommend that you give careful consideration to the question of your interest in these teachings. Perhaps it will be helpful to you to talk with a Christian Scientist on the subject. We feel sure that Mr. William W. Porter, Committee on Publication for New York, will be glad to be helpful to you if you desire to call upon him. His address is: Suite 2220 551 Fifth Avenue, New York City.

Mrs. Eddy states that her book "Science and Health" contains the full statement of Christian Science. Christian Scientists study this book faithfully and put into practice its teachings, they will find that the truth contained there is equal to their every demand upon it.

We shall be glad to have you write us again after you have considered this matter.

Very sincerely yours,
The Christian Science Board
of Directors,
Lucie C. Warren,
Corresponding Secretary

War Council to Act In Sandino Slaying

MANAGUA.—A council of war has been appointed, under orders from President Juan B. Sacasa to investigate the assassination of the erstwhile rebel General Augusto C. Sandino and his brother Socrates and to punish "without fear or favor" those found guilty.

According to press stories, a patrol of National Guardsmen went on business to the house where General Sandino and his aides were residing. The patrol is said to have been fired on from the house and had retaliated with machine guns, killing Socrates Sandino and wounding an on-looker. This incident, it is stated, led to the kidnapping and slaying of General Sandino.

Not even his political opponents have the slightest suspicion that President Sacasa had any connection with the assassination.

N. Y. C., Feb. 19, 1934

The Chr. Sc. Board of Directors, Boston, Mass.
Sisters and Brothers:
Your letter from February 1, 1934 received and I thank Father. Please acknowledge my definite resignation which I sent to the clerk of the Mother Church Jan. 17, 1934.

Since I heard Father Divine I closed all my Christian Science books and I need not to ask a Christian Scientist, whether he be teacher or a lecturer, for advice; for Father Divine is sufficient for all thinkers. Why ask a pupil of a pupil when The Great Teacher of Love is in the Land? One lecture of Father Divine in Person makes up for all the books in the world including the Bible. He is His own Teacher. No one can tell Him anything. He needs no books or Bibles or hymnals. His deeds and actions, His Love, mercy, compassion are greater than all learning.

He has brought heaven on earth for everybody. All those that are on the level with His unselfish coming will rejoice with Him. He came to stay until all is well. His Love radiates beyond human imagination.

He is the Embodiment of the Highest Consciousness that can be reached. He is The Prince of Peace, The Light of the World, The Saviour. He does not need us, but He came to redeem us from the old superstitions and imaginable heaven beyond. His Words are spirit and they are Truth—Flesh cannot perceive Him. But a hungry heart for righteousness, and an unselfish thinker will acknowledge Him, because He reveals Himself unto them.

It will not be long before the World knows Father Divine is GOD on earth among men. Read Rev. 21:10—John 14:10—John 1:14.

If the mortal version would hesitate to accept Father Divine on account of His color, tell the unbelievers that Jesus was a Jew and the first Jewish race was dark and there was only a carved stone picture of Jesus in existence. Who knows His color? Read songs of Solomon 1:5-6 Father Divine knows there is no color, race, creed, nationality in true existence and His teaching insists on an Evangelical life, a life heaven-like here and now. All that reach this Consciousness will accept Him as The I AM on earth with men.

Thank You Father.
Auguste Reimers.
P. S. My resignation to the Mother Church was in the New York News January 27, 1934, and I am still receiving letters from Christian Scientists who have resigned to follow Father Divine, or who are inquiring about This Great One. They feel that Somebody Is Here. I felt it, too, only I did not know what it was. Those that are on one level of thought are drawn by this level of Consciousness. Father Divine is the Radio station of Omnipotence. Jesus went to the fishermen and called them. Father Divine draws them by His radiant Love that is like a Magnet, it is irresistible.—Thank You Father!

Why don't you ask Him to lecture in your Churches? Do you love as Jesus loved?

Stop!
He (at the door): Goodnight again, dear.
Someone in the house: Good-night yourself, you are standing against the electric push-bell, and no one can get to sleep.

A twenty-year campaign to raise \$150,000,000 to provide hospitalization for Negro patients and training for Negro physicians, nurses and social workers was opened at a meeting in the Y. M. C. A. headquarters at 347 Madison avenue on Feb. 23. A board of trustees composed of fourteen Negroes and eleven white leaders will be named to guide the project.

Dr. Ralph W. Sockman and Bishop Charles K. Gilbert will serve on the board, together with three Negro ministers yet unnamed, according to the Rev. Amos H. Carnegie, secretary of the new organization, which is to be called the Negro National Hospital Fund. Other members on the board will consist of five physicians, five lawyers and ten laymen. The five selections in the field of medicine were announced as Dr. J. G.

Liberia Faces Showdown on Debt Issue

GENEVA.—The League of Nations has published the acceptance by the Liberian Legislature of the League's plan for Liberian reconstruction, with thirteen reservations which are considered here as virtually rejecting the plan. The League Council may force a showdown at its May session, it is said, on this difficult problem, which has dragged on for three years since the United States put its Liberian responsibility on the League's doorstep.

The principal reservation is against increased indebtedness of Liberia to the Finance Corporation of America, a subsidiary of the Firestone Rubber Company, which has made loans to Liberia, the Legislature considering that the financial, health, administrative and reconstruction program should be financed out of almost non-existent current revenues.

Other reservations curb the powers of the League's chief adviser, limit the power of the Council as the final court, and destroy the basis of the Finance Corporation's agreement to a moratorium and reduction of interest on \$2,500,000 lent to Liberia since 1926, since the corporation granted this on condition Liberia completely accepted the League plan.

Students Reject "Aryan" Clause

University of Warsaw Condemns Race Intolerance

WARSAW.—The "Aryan paragraph" was removed from the statutes of the Students of Mutual Aid Association of the University of Warsaw by the university's senate today on the ground that racial and religious discriminations were inadmissible in a charity institution.

The clause refused membership to students of the Jewish faith or those who had changed their religion and aimed at the total exclusion of students of Jewish origin, regardless of religion. The association has long been a stronghold of nationalistic and anti-Semitic elements, and has been responsible for numerous anti-Jewish anti-government outbreaks in the colleges.

The "Aryan paragraph" will be preserved in the codes of honor of various private students' corporations, so dueling will be forbidden to Jews except those who are officers in the Polish Army.

Aid Sought for Grade Schools

WASHINGTON.—Hearings on a long list of proposals which have been made to help the nation's schools through the next year will be begun this week by the House Education Committee.

Harry L. Hopkins, CWA Administrator, George Zook, Commissioner of Education, and other Federal officials, as well as State superintendents and educators, will present their views on the financially pressed school system's actual needs before the hearings are ended.

The hearings will be of a general character to ascertain whether a single legislative remedy fitting in with the administration's program can be arrived at or is warranted.

Consideration already has been given by a banking subcommittee to one group of the measures—to broaden the Reconstruction Corporation's lending powers to cover school paper. No action has been taken. This was opposed by Chairman Jesse Jones of the RFC.

The fate of any legislation along this line must depend largely on the administration's attitude, which so far has not been indicated. Commissioner Zook may make it known to the education committee.

The bills, aside from the RFC lending proposals, further the plan to enable schools below college rank to continue their work.

Workers Incomes Trailing Increase in Living Costs

More Than Seven Million Workers Still Unable To Find Employment

WASHINGTON.—Industrial unemployment increased again in January, William Green, president of the American Federation of Labor, said in a recent statement, but not quite as much as in other depression years.

Mr. Green estimated that 11,600,000 persons were unable to find employment in normal industrial pursuits. Of this number 4,600,000 had obtained emergency work in January, while nearly 7,000,000 were without any means of earning a livelihood.

The number who lost their jobs from December to January in each of the four depression winters, Mr. Green said, was 1,619,000 in 1930-'31; 1,289,000 in 1931-'32; 976,000 in 1932-'33, and 921,000 this year.

"We are half-way back to 1932 levels," he said in citing that unemployment this year was 1,500,000 more than in January two years ago.

"As yet there is no indication that industry is providing enough jobs for the hundreds of thousands being dropped from civil works rolls," Mr. Green said. "If these men and women are not to go hungry something must be done to find jobs for them in industrial work, where they can create wealth and earn their own way."

"Workers' incomes are still falling short of the increase in living costs. In January workers' average weekly income was \$20.83 in sixteen industries employing nearly two-thirds of all non-farm workers. This was an increase of only 7.5 per cent over last April, while food prices have risen 16.7 per cent and prices of clothing and furnishings in department stores 27.5 per cent. Thus workers are steadily losing by price increases, and we must expect their living standards to be further reduced as prices go on upward, unless the N. R. A. program provides for wage increases."

Mr. Green said that in January workers' total income was \$600,000,000 monthly above the level of last April, a third of it due to emergency government work. This gain, he added, has been stimu-

lated by business; but unless workers' incomes keep pace with the price increase, he warned, the foundation for a business rise will be cut away.

Trade union unemployment reports for the first part of February, Mr. Green said, reflect help given by C. W. A. Union records show an apparent decline in unemployment in both January and February.

"Our weighted figures," Mr. Green said, "show: 22.8 per cent of members out of work in December, 22.6 per cent in January and 22 per cent in February. Industrial gains are shown in a few groups in preliminary reports, notably in the clothing trades. Our reports cite employment gains either through C. W. A. or industry in fifteen out of twenty-four cities, worse unemployment in six and no change in three."

Senate Test Vote Kills Bonus Bill

House Bill Still in Committee

WASHINGTON.—With enough signatures mustered in the House, despite the opposition of the Administration, to force a vote on the soldiers' bonus, the Senate voted on a somewhat similar question and defeated, 60 to 14, a proposal to restore to veterans all benefits taken from them under the economy bill of the last session. In the House, although Speaker Rainey announced after a call at the White House that the President was against the measure, 145 members signed a petition that will make it necessary to have a vote on the Patman bill which would provide for payment of \$2,400,000,000 to world war soldiers, the proceeding to be financed by issuance of greenbacks. The petition is, in parliamentary formality, one to discharge the committee from consideration of the bill; otherwise it would be virtually certain to die in committee.

Senator Reed Attacks the Proposed Child Labor Bill

Fears the Misuse of Powers That it Bestows Upon Congress

WASHINGTON.—James A. Reed, former United States Senator from Missouri, has attacked the proposed child labor amendment to the Constitution as designed to "substitute for the authority of the parent the authority of Congress."

"The ordinary and casual reader," the Missourian said, "would understand that it is a proposition intended to protect children of tender years against being thrust into sweatshops and into unhealthful places to work for a livelihood, but that is far from the real purpose and the real language of the amendment."

Science Versus Race Theories

Necessity, Fate, Destiny, Make All Things Obsolete

(From The New York Times)

Owen D. Young made his contribution to the subject of technology and unemployment in a single gnomic sentence, which reads like something translated from the ancient Greek: "Science is the mother of obsolescence." This says a great deal. It is a reminder that science cannot over-crowd the world with finished objects because science discards as fast as it invents. It destroys in the very act of creating. In the act of inventing A it renders B out of date.

No one can charge that science as mother of obsolescence plays favorites. Modern science does not spare itself. It believes not only in 1934 models for automobiles and railway cars and glass houses and wheat harvesters, but in 1934 models for science. The speed with which scientists continue to turn out new models in universe and methodologies should make a Detroit streamline expert envious.

Mr. Young's aphorism opens up all kinds of vistas. We have long known that necessity is the mother of invention. We now learn that science, or invention, is the mother of obsolescence. It follows, therefore, that necessity is the grandmother of obsolescence. That does not make bad sense at all. In fact, it is what all the philosophers have been saying about necessity, fate, destiny, they make all things obsolete.

Necessity is the mother of invention. When a Nazi politician needs a theory he invents an Aryan race and populates Galilee two thousand years ago with blue-eyed Teutons. But invention is the mother of obsolescence. Once the game of inventing race theories has been found to be so easy, the Aryan business is pretty sure to go rapidly out of style.

"Let me read it to you: Section 1—Congress shall have power to limit, regulate and prohibit the labor of persons under eighteen years of age."

"See Blow at U. S. Homes" "Adopt that amendment and the Congress of the United States will have power not only to regulate the labor of children but the labor of young men and young women up to the very day when they become eighteen years of age. It is revolutionary, it strikes at the home, it is inimical to the discipline of the family, it substitutes for the discipline of the home and for the rights of the parents the 'ipse dixit' of a Congress. . . ."

"Moreover, the language is so broad that Congress would have the power to regulate and to control the education of children, for the education of children comes within the language of limiting and regulating the labor of the child. . . ."

"It may be said that Congress will not exercise this power to its fullest extent. That is a dangerous fallacy and illusion. There are very few powers that have ever been conferred upon Congress by the Constitution that it has not seen fit to exercise first or last and already that ancient and revered doctrine is being stretched to the breaking point.

Cities State Laws on Subject "I am not talking about children of tender years, for unfortunately there have been cases where children too young have been put to work in factories or in mills, but fortunately the laws of the various states have governed that proposition and if I remember right there are only one or two states in the Union that do not have laws calculated to protect the infant, the small child; but no state, so far as I know, has ever gone so far as to invade the home and say that a boy of sixteen or seventeen years of age shall not be permitted to work. . . ."

"To my mind this un-American thing ought to be killed by every legislative body."

NEWS and VIEWS of FATHER DIVINE

Father Divine Assures His Disciples That God Will Give All to Those Who Believe

All Present Are Conscious of the Presence of God in Their Midst

Father Divine's Remarks at the Banquet Table, 150-160 W. 126th Street, New York City, Thursday, February 22nd, 1934, 8 p. m.

Thousands pressed their way into the Dining Room of the beautiful new Extension of the Kingdom at 150-160 West 126th Street, New York City, Thursday Evening, February 22nd, when Father Divine personally arrived there on his return from a visit to the North Beach airport to view the Aeroplane that had been recently dedicated to His Service by Colonel Hubert Julian. Many of the Angels and Believers had followed Father to the Airport, where the giant Plane with its immense wing spread waited in its Hangar for a non-stop flight soon to be made half-way around the World, carrying the Message that God is in the Land, and when they returned to 126th Street and added to the number already there, they formed a solid mass, reaching through the open doors to the Street.

They had been infected by a great Contagion—the Presence of God, in a Body, and this Contagion had racked their bodies. When the woman touched the hem of Jesus' Garment, it must have had a physical, as well as a Spiritual significance, for the Gospel says "she felt in her BODY that she was healed of that plague", and Jesus knew "within Himself that virtue had gone out from Him". In other words, a condition of His Body and Mind, called Virtue, went forth on His Spirit as a great Contagion, and she caught the condition and was healed of her "bloody issue".

Today, when great epidemics sweep the Land, they are supposed to start first, from the presence of a few bodies infected with the condition, and an attempt is made to isolate these bodies, to prevent the spread of the disease, but after a time it seems to go out on the waves of the air as a contagion, to be caught up by other bodies throughout the Land.

Through Infected
So it was with the Throng around the Banquet Table on this particular occasion. They had been infected, most of them, with a great Contagion that had come from one Body known to the World as Father Divine. They had partaken of His Bodily Condition, lively, loving, successful, happy, and prosperous, but it had not been necessary, in this day of the radio, and other inventions, to physically "touch the Hem of His Garment", for this Contagion had gone forth like a radio broadcast that they could understand.

That is what enabled one who had been in prison twenty-one different times, to testify that he was living an Evangelical life, and enabled others to testify of being healed of so-called incurable diseases, while one and all could be happy and glad where once they had been sad. It was what enabled them to sing from their hearts.

"Joy to the World, for the Lord has Come,
Let Earth receive her King,
etc."

And this was only a slight sketch of how this mighty Contagion of the Omnipotence and the Omnipresence of God, that cannot be prohibited goes through the World taking hold of millions, changing their physical, mental, and spiritual conditions.

So one and all could Praise God for His Mercy in condescending to come again in a Body, filling the atmosphere with that "sweet smelling Savour", the Spirit of the Consciousness of the Presence of God. There were many Songs of Praise that filled every heart with merriness, therefore, and so much so, that it drew from Father the following Response:—

Father Speaks
"Good health, good will, and good appetite we see, and a good contagion expressed tonight. It is in the atmosphere. If you don't want to catch this contagion, you had better be still, and not get in the way. It is indeed Wonderful! If you get in this rhythm and be caught up in these vibrations, you will be sure to catch this contagion. Your hearts will be filled with merriness transcending all human imaginations, going into infinity, the end you cannot envision, for it is God expressing in the Children of Men. It is indeed Wonderful!"

How if you don't want to be afflicted with this contagion,—(Laughter from the Assembly), you had better not continue to give God all the Praises, for if you do, your hearts will be filled with the Fount of all merriness, and you will be sure to catch this contagion. You will HAVE to be happy. You don't want to be happy. You will have to be healthy. If you don't want to be healthy, it is indeed Wonderful! You will have to be successful if you

Universal Peace Mission, until it shall be universally established even as it is here, right under My Personal Jurisdiction. It is indeed Wonderful!

Then I say, don't say it unless you mean it. If you don't want to be happy, I say for My sake, please do not get in these rhythms. It is indeed Wonderful! In the vibrations of My Spirit and in these rhythms, the quickening Power of the great Creative Forces of Nature will quicken the Christ Consciousness within you that has been lying dormant for Ages, and He within you, will come to fruition, and you will not need to look for another. It is indeed Wonderful! I continue to say it, because this is "Where the healing waters flow,—Where the Joy Celestial flows,—Here is Peace, and Rest, and Love,—Where the healing waters flow".

Take these thoughts into consideration, live in this recognition, and bring your bodies into subjection if you will, willingly, and you will be transformed by the renewing of your mind. Unconsciously and automatically, you will be cleansed from all adverse conditions mentally and Spiritually, and physically you will be cleansed and healed from all of your diseases. It is indeed Wonderful!

Heals the Soul
You will get so much honor you won't know what to do with it. You will have so much money, you won't know what to do with it. It is just Wonderful! I heard some of My Co-workers, Students, and Friends say, as being called My Children, that they have so much money they don't know what to do with it. It is indeed Wonderful! They just have to study how to spend it. It is indeed Wonderful! It is a real Contagion. It is indeed Wonderful! And if you continue in these rhythms, and emotions, and Praises, you will be caught up in the spirit of merriness, and you will swallow it as the capsule of Salvation, and that which you will be swallowing, will be all of the ingredient of Christ, your Lord and your Saviour. Then you will begin unconsciously and unthoughtfully, to express and manifest these qualities that He has produced and brought to fruition, as a Sample and an Example. These are facts and figures too stout to be denied. It is indeed Wonderful! You know money, and every other desirable blessing,—these come forth as the wind, unthoughtfully.

How as far as you are concerned, when you are caught up in these vibrations, and live according to same, you will catch this Contagion, and the heart of merriness will produce such healing for your conditions as well as your physical systems, you will be transformed completely by the renewing of your mind. Then I say, it is indeed Wonderful! Take these thoughts into consideration and living in this recognition, your hearts and your minds will be filled with the spirit of merriness through and by this great Contagion, when you are caught up in these vibrations through these emotions, and by your getting in the rhythm. It is indeed Wonderful!

It has long since been said, "Evil communications corrupt good morals, evil qualities are catching as well as diseases, and a man is known by the company he keeps". The reverse to these negative expressions, is equally true. It is as contagious as the negative, for you. Take these thoughts into consideration, and copy after this fashion that I am here and now expressing, insignificant as I may appear to be. If humanity collectively and universally, will copy after this fashion, in the next generation there will not be a person on the face of the Earth, that will be destitute, in poverty, lacks, wants, or limitations. It is a great Contagion, and it is God Himself, reflected in this Principle and manifesting His Characteristics in His People. It is indeed Wonderful!

The Christ Consciousness
The Characteristics of the Christ will produce and bring into outer expression every desirable blessing, for the Characteristics of the Christ in themselves, are the great Creator, or AS the great Creator, that Created the Heavens and the Earth. It is indeed Wonderful! Take these thoughts into consideration, and you as well as I, in the next generation will not be dependent on any person or persons. You will be absolutely independent, and you will walk in the Land of the Living, with the Abundance of the Fullness of all good things. It is indeed Wonderful! It is indeed Wonderful! Just think of it,—the millions and millions of people living now, and sincerely believing, trusting and obeying this Message as being termed Me. They are subjugating their hearts, their minds, their souls, and their bodies, to this Fundamental Principle, and the time cometh and now is, that all nations, languages, tongues, and people, shall recognize this great Fundamental. It is indeed Wonderful! Just think of it dear ones,—this beautiful Banquet Table spread where the Children of God are fed with the Abundance of the Fullness of the best food, and the very Spirit of God's Presence Himself, manifested, Leading and Guiding you, and Sponsoring this

Love Shall Rule Us
I was thinking of the oppositions of life, the conflicts, criticisms, and even of the ignorances that individuals have put forth into expression silently, trying to ignore the Majesty of the Almighty. But I will bring every man to his knees! It is indeed Wonderful! I will let every "knee" know he must bow, and every "tongue" know he must confess, he must recognize the Christ the same as I am advocating,—this Christ Consciousness with or without a Bodily Form, the only Fundamental for one and all. I think I had better stop! It is indeed Wonderful!

I am looking over the millions and millions in New York City today, having accepted of this Message, and silently and openly they are 'sponsoring' this Cause, the great Cause of Righteousness, for (Continued on Page Seven)

Love

Thou canst know how much I love You, Father Divine,
Love You because you first loved Me—I am Thine
Love Me till the light of Your Truth and Spirit through me shall shine

Telling mankind that only such love is Divine.
Give me more of your Spirit, Father Divine,
Cause me to walk more and more in Your statutes for all time

Eternal Life—Eternal Life in my heart and mind enshrine
And I will ever praise Thee, Spirit Divine.

I have surrendered all to Thee, Father Divine,
A complete surrender of all things whatever kind
Wouldst Thou improve my sight, clear my vision, and renew my mind

In Thee I desire to live, move, and have my being, Father Divine.

Thank you Father,
Thank you Father,
M. SHORTER ANDROS.

Father Brings Message of Cheer To Those Gathered at Banquet

(Continued from Page One)
to God, with or without a Bodily Form.

For this cause I came, and for this purpose this morning I come, to unfold this mystery of Love to one and to all, and to show you how you are brought under the Control of God. It is indeed Wonderful! It is indeed Wonderful! I set before you a wonderful life to live,—living in the Praises of God, where the Spirit of God's Presence is reflected and manifested, and is bringing into outer expression every good and desirable blessing, with the Abundance of the Fullness of all good things, and wants, limitations, lacks, and adverse and undesirable conditions such as depressions, we do not know anything about. It is indeed Wonderful! Just think of it,—today while there are thousands and thousands of people without food and shelter, the Abundance of the Fullness is flowing so freely here with each and every individual that will partially bring his body into subjection and endeavor to live Evangelical. "Christ is Rich and all you need." This is not maybe true, these are facts and figures too stout to be denied. I have confirmed them, and therefore you can declare unto the Children of Men that these are Truths, for you have seen them. It is indeed Wonderful!

God Reigns Now
That is through your believing. Your belief is so substantiated, and so unshaken in confidence, why your Faith in Me, as though it is Me, will move every mountain, and will move every tree out of the way. I will make low the mountains, and I will make barren the forests, and get the trees out of the way. It is indeed Wonderful! I will move mountains out of the way, and I shall make every hill valley level, and every rough way plain. I shall clear out the forests and cause them to be fruitful fields. It is indeed Wonderful! God alone shall Reign! I have heard you sing it and I have heard you say it! Therefore I came to fulfill it according to your compositions and according to your sayings, and I am fulfilling them. It is indeed Wonderful!

Be Meek and Lowly
On the other hand, or in other words on the same side of this expression of the mystery of God's fulfillment, but from another point of view, I wish to convey to you the great significance of being self-denied, the great significance of being meek and lowly in heart, the great significance of humbling yourself. "He that humbleth himself, shall be exalted, but he that exalteth himself shall be abased." It is indeed Wonderful! I set before you a Sample and an Example,—not that I put up the Person as a Sample, but the expression that has been manifested through the Person, the Principle that I have brought to display in the individuals, as samples and examples. It is indeed Wonderful!

Just think of it! It was more than three or four months, before Faithful Mary ever spoke to Me Personally, or even end-avored to get near enough to Me to shake hands with Me. I can use your spirit if you will trust in My Word! When you are trying to do something physically, mortal mind-fully, from your physical or personal point of view, then and there I cannot use you. It is indeed Wonderful! Great, are the meek and lowly, and the nothingness of matter is the conception that will give birth to the Allness God. It is indeed Wonderful! The mystery of My Word, I am calling your attention to, that you might observe the great significance of being meek and lowly in heart. It is indeed Wonderful! Just think of it! And so far as yet, when Faithful is permitted to sit by Me, I am quite comfortable, but I am not comfortable when a self-exalted mind tries to put itself by Me. It is indeed Wonderful! Then, I am very uncomfortable, humanly speaking, and you see Me reeling and rocking, trying to get away, apparently. It is indeed Wonderful! You know I CAN get away if I wish to, but I say as an expression, I am very uncomfortable apparently, and you see Me reeling and rocking, trying to get away, apparently. It is indeed Wonderful!

Keys to the Mysteries
Live in this recognition, being meek and lowly in heart, always recognizing the Ever-presence of God, and denying the reality of yourselves as persons at all. It is indeed Wonderful! "God in the midst of you is Mighty to save", and it has long since been said, and so it is, "Christ is Rich, and all you need." It is indeed Wonderful! Take these thoughts into consideration, living in this Ever-presence, staying meek and lowly in heart, and in mind, and your presence will be pleasant all the time, for meek and lowly is the way. It is indeed Wonderful! We have the Keys to all of the mysteries, and to every desirable expression imaginable, for God is the Key, being the Key within (Continued on Page Seven)

Father Divine Showers Wealth Of Advice, Cheer to the Faithful

(Continued from Page One)
His Understanding, better known by MY Version, as "His Omnipotence." It is indeed Wonderful! ("So wonderful" rebounded from the Assembly.) Fulfilling the Original Composition, the motto for consideration: "the RELAXATION of the conscious mentality, is but the RE-CONCEPTION of God's Omnipotence."

Through relaxing your conscious mentalities, STILLING them, the CHRIST I can see HIM rising, and the GREAT RESURRECTION has taken place, mentally as well as the physical Resurrection was of Nineteen Hundred Years ago. It is indeed Wonderful!

There are many things I could say, but I rose at this time, to convey a thought to you, concerning two very important incidents or articles which have been read in the Paper today. It is indeed Wonderful! First of all I wish to say in reference to one of these incidents or experiences of an individual—it was and it is said to be a woman seventy-five years old, who was partially blind in Canada, she has received her sight, and also she has grown eleven new teeth. It is indeed Wonderful! ("Truly wonderful!" assured the Hearers.) This is the clipping. (Father held same before the Assembly.) Now if it is not true, I AM telling you what the paper has declared. It is indeed Wonderful!

This is one of the great expressions of a sketch of what God will do Universally. It is indeed Wonderful! She declared her sight was being restored, and she can see pretty clearly immediately after looking at herself. Her hair is turning dark again. Of course this is not strange in our personal experiences. You all know there are some of the Believers who have produced black hair, dark hair and also have been restored to teeth. ("It's a positive fact Father," corroborated the General Assembly.) It is indeed Wonderful! But I AM allowing that to be so far from ME Personally, that you and others might see and know God is not confined nor bound to you. It is indeed Wonderful! The Spirit of God's Presence can work just as effectively without the Personal Presence as it can with it. It is indeed Wonderful! Often the Personal Appearance of an Individual would lessen one's faith and cause them to doubt the Great POWER that is working for their Salvation. It is indeed Wonderful! ("Oh it's wonderful!" emphatically spoke the people.)

For this cause I refuse to present or appear at places at times, which is to say, I refuse to present MYSELF at places at times, refusing to appear Personally as I may appear to be, for I desire and sincerely wish to keep your mind steady on the Fundamental, and not deviate from the Fundamental, for you can easily fall by looking from a material point of view, and not observing ME as I AM. It is indeed Wonderful! ("It is wonderful!" voiced the people.)

These thoughts are well worth considering, and that is why I bar all mortal ways and means of demonstrating HEALTH, HAPPINESS, PEACE and PLEASURE, FINANCES or anything else. The mortal ways or means of demonstrating FINANCES are building upon the sand, and I would not like to build a house upon the sand. These are facts and figures too stout to be denied. It would profit ME nothing to build upon something that I have known to fail, or know it is failing, but I AM building upon a Foundation that can not fade away, neither can it wane, for it is the POWER of MY NAME, the Word of God that stands firm. ("It's wonderful Lord," shouted the people.) It is a matter of impossibility for it to wane, if you build upon this Foundation that I AM building. Therefore, I say, I would not or do not make a step towards you to help you as a man. It is indeed Wonderful! Your FAITH would be limited to the mortal versions, if I did, and if I would claim to help you from that angle only. It is indeed Wonderful! But as the very Presence of MY Spirit, with or without the Person is sufficient to reach your conditions in sickness and afflictions and diseases, it can and will heal you and will heal you effectively without MY Personal Presence. It is indeed Wonderful!

Build upon this Foundation, this Fundamental, and you will be building upon a Foundation that can not fade, neither can it fall, neither can it wane, for the Spirit of MY Presence is sufficient. Now this other little incident or article I read in today's paper, or it stated the Ex-Kaiser's son is begging, carrying a tin cup around begging. ("It's wonderful," said the people in a surprised voice.) Now if that is not true, that is what I read in the paper today, and if it is true, or if it is not true, it is very logical, to let you see and know "MIGHT can not stand, but RIGHT must stand forever," and "what will it profit a

man to gain the whole World and lose his own Soul?" It is indeed Wonderful! This verifies that of which God had spoken through one of the mouths of the writers saying: "A little that is righteous man hath is better than the riches of many wicked." For the arms of the wicked shall be broken; but the Lord upholdeth or upheld the Righteous.

Live the Life of the CHRIST, and matters not what you may acquire in this life, as far as the material wealth and everything is concerned, give God the GLORY and PRAISES and give GOD THANKS for everything. It is indeed Wonderful!

These thoughts are well worth considering, and this is why I stress particularly, the great significance of living absolutely independent to man and to mankind, and their ways and means of acquiring the Blessings you are seeking, but live in a state of consciousness, wherein you know within yourselves, "GOD is the Author and the Finisher." "Christ is rich and all you need." It is indeed Wonderful! Now I wish to stress this point for consideration. In practically all of our connections and Lecture Halls and Dining Rooms, etc., we have ways and means to feed those who are unable and can not afford to buy a meal, absolutely free. This is MY Will. This is MY Plan. Those who can afford to buy meals, if they wish to, they can get a meal at practically all of our Assemblies or the Connections therewith, and they can get them for FIFTEEN CENTS at the most. I say, do not pay more than FIFTEEN CENTS, where MY NAME is claimed. ("It's wonderful Lord," exclaimed the people.)

Now if you wish to eat two meals, if you can eat more than one, that is up to you. You can call for your second one, but they should give you a meal according to the promise and according to the agreement with ME. That means an ordinary meal, the same as if you were selling meals for FIFTY CENTS, the same as many of you did eat for FIFTY CENTS and SIXTY and SEVENTY-FIVE CENTS. It just means an ordinary meal and if the parties wish the second one, why it is all right, you can give them the second one, but you should serve an ordinary meal. It is indeed Wonderful! The next point of view, I wish to say for your sake is, no one is obligated by any means whatsoever to buy anything. We do not want you to buy a meal in any of our Connections, unless you wish to. It is indeed Wonderful! You are not obligated to, and if any person or persons would try to coerce you into buying a meal or a glass of soda-pop or anything of that kind, just know within yourselves, they are not doing according to MY Instructions, even though it comes in a practical way, and you are giving the person or persons more than what they are paying for, really giving them more than the worth of the money they are paying, you should not try to coerce any one into buying, not even to a newspaper, although the "World Echo", which carries our Messages, the very simplest, or one of the simple lectures translated such as "THIRTY-SIX DOLLARS translated, and you get the paper for three cents, with all of the other translations, and all of the other Messages in English. ("It's truly wonderful!" sanctioned the people.) It is indeed wonderful, but yet we do not want you to buy a paper, unless you feel free and voluntarily buy, and know within yourselves, you are getting more than your money's worth. ("Bless You Father," came the outcry from the Assembly.) It is indeed Wonderful!

FRENCH TRANSLATION OF FATHER'S MESSAGE

Le Pere Divin Nettoye la Ville de ses Jobbeurs

"Je vais être le Christ Seigneur des seigneurs et Roi des Rois, même s'il doit me coûter un million de dollars par jour déclara Pere Divin devant une foule de dix milles environs au Rockland Palais au mois de Juin 1932 a l'occasion de son retour a la ville de New-York de son Hotel de Riverhead Long Island, connu ordinairement sous nom de prison.

Selon la version humaine des mortels, il leur parait impossible, même avec la dépense par jour d'un million.

Qu'il fut élu dans les coeurs et la mentalité du peuple, mais, en réalité comment allait-il régner dans le Gouvernement Municipal de New-York, sans compter le gouvernement Fédéral, des Etats-Unis déjà avec sa politique complexe et variée plus ses intérêts financiers multiples, etc.? Comment le Christ pouvait-il régner, quand New-York était sous le contrôle de l'organisation politique de Tammany Hall, soit disant invincible.

Le Christ régné Officiellement

La manière de Dieu est tres penetrante. Nous étions vers l'époque des Elections. Une autre grand réunion au Palais Rockland, le Dimanche, cinq Novembre 1933, était en session, quand le Représentant de Tammany Hall Le magistrat communal Jean P O'Brien et le candidat de la Fusion Monsieur F. H. LaGuardia, les deux parurent devant Le Pere Divin et Sa foule sollicitant nos votes a l'appui, penseraient-ils, mais en réalité ils étaient sous l'influence de l'Esprit du Pere. Le premier nous entretenait avec sa politique, tandis que l'autre se livra sans réserves au Pere Divin. Monsieur LaGuardia promets le suivant—"Je déclare que n'importe ce que vous faites Je vous supporterai—Je crois en tout ce que vous dites.—Il faut nettoyer cette ville et Je veux la nettoyer—Je m'adresse au Pere Divin pour Son concours et pour Son conseil, parceque Il connaît bien les différents endroits qui en méritent." A partir de ce moment-là, il n'y avait pas a douter les conséquences des élections, car Dieu et non les machinations politiques, fut le Facteur décisif. Le Monde le savait bien que Mr. LaGuardia fut élu Maire. Le Monde sait aussi que jamais de tels fourbissages de crime, vice, corruption n'a eu lieu auparavant et dans si peu de temps d'un mois, depuis que Mr. LaGuardia a pris regne des affaires. Tel comme le soutien Mr. LaGuardia—"Pere Divin le sait bien, et Il lui montra la ou il faut nettoyer si effectivement, qu'on dirait qu'il avait assis dans la Chaise même du Maire Personnellement. Ainsi donc Le Christ regne et dirige, officiellement comme Seigneur des seigneurs, et Roi des Rois dans les affaires de la ville de New-York. Le Maire ayant, on le dirait, le pouvoir d'un dictateur et au delà assisté par l'Esprit du Pere tout autant qu'il maintient sa promesse, qu'il soit conscient ou non de Celui a Qui il s'était engagé. La citation biblique set en effet, réalisée—"Les royaumes de ce monde sont devenus le Royaume de Notre Dieu et Son Christ," mais Il n'est pas manifesté selon la manière des hommes. La façon des hommes serait de changer la vie du peuple jusqu'à ce que le modele du gouvernement reflète la condition le plus représentant la vraie vie du Christ, mais Dieu n'avait pas attendu, Il a commence par l'autre bout et pris contrôle du Gouvernement par le haut, Il y entra, la porte s'était fermée apres Lui, tandisque en même temps, et

dans les coeurs et l'Esprit du peuple.

Des louanges pour le Pere Divin

Beaucoup de louanges et beaucoup de remerciements pour le Pere Divin pour ces bénédictions vinrent de la foule entouré a la grande table du Festin au numero 20 ouest a la 115 ième rue Vendredi soir le deux Février, tandis que le Pere servit. Un des plusieurs chansons qui suivit, Le Pere Divin adressa les assistants;—"D'ici peu le monde entier saura que le Pere est Dieu. D'ici peu le monde entier saura que le Pere est Dieu. On saura qu'IL règne ici-bas, Toute chose est sous Ses ordres Qu'on le sache ou non Même l'air qu'on respire Pour Dieu qu'est n'un simple désir

Car IL est Seigneur des Seigneurs et Roi des Rois. Si une vie évangélique qu'on même Ce sont les mots du Pere Divin Est Le Dieu véritable et vivant."

Les trois attributs de Dieu

"Bonne santé, bonne volonté et bon appétit,—les trois grands attributs de Dieu, qui sont appelés les caractéristiques dont j'appuie jusqu'à ce que Je les aurais réincarnés et Je les fais en vérité sur la terre des vivants, qu'ils puissent devenir un facteur réel dans le coeur et dans la vie des hommes en général. C'est vraiment merveilleux." De cet chanson que vous venez de chanter en considération—cela vaut bien la peine d'être considéré ce n'est pas parceque vous observez ou vous devez observer, une personne ou des personnes, mais plutôt un Principe qui a été, qui sera, et un Principe qui est avec ou sans forme corporelle, et sans ou avec l'aide de personne, étant l'Auteur et Qui achève toutes choses—et l'homme commence a voir da dans cette connaissance, oui, a cette réalisation qui n'est pas de loin, mais c'est toujours présent. C'est vraiment merveilleux, j'en fais mention qu'il y avait de cela plus que trois ans passés, ici a New-York City, quand Je faisais cette déclaration aux enfants des hommes, et même avant cela, que j'allais être le Christ comme Seigneur des Seigneurs et Roi des Rois, s'il doit Me coûter un million par jour. Ceux sont les mots j'ai prononcé et que Je ne les aim pas niés, pour cette fois-ci Je viens pour y demeurer. ("Oui, Pere Divin, que votre nom soit loué"—prononça l'assemblée).

Le Christ élu; Comme de fait

Alors Je le dis, c'est vraiment merveilleux! C'est un privilege de pouvoir vivre dans cette reconnaissance, comme de fait le Christ a été, en vérité élu, comparé a une chanson politique chantée avant les élections du Président Cleveland—Cleveland est élu au delà de Mon attente—mais c'est un privilege de savoir que le Christ est élu comme vous l'attendiez. C'est vraiment merveilleux! Je le déclare aux enfants des hommes. J'envoie cette mission sur l'Ether, comme avertissement même le vent que j'étais le Christ, Seigneur des Seigneurs et Roi des Rois, Qu'il Me coûte un million par jour. Ces mots Je ne les ai pas niés, mais depuis ce temps la dans les coeurs, sur l'esprit des hommes il y a été enregistré que le Christ est en réalité, le Seigneur des Seigneurs et Roi des Rois. C'est merveilleux! Je fais mention que l'élection Présidentielle avant la dernière Je déclarai que quelques uns de vous peuvent choisir Mr. Smith et d'autres peuvent dépendre leur milliers sur eux, mais

Le Pere Divin Régnera dans la Nation Comme Il Regne Dans la Magistrature Communale et Effacera Toute Corruption, L'avarice, et Mécréoyance

J'élevais le Christ, Seigneur des Seigneurs et Roi des Rois, s'il Me coûte un million par jour. A votre vu ces mots ont été réalisés en ces jours memes. Alors Je dis que le Christ a été élu, pas plus comme Je l'espère mais comme Je le sais, car en dessous de cela il existait une Influence qui était assez pour son Installation. Ce n'était plus ni moins sa mission et son devoir Special. De fait, Essain l'aurait dit "A nous est né un enfant, a nous est donné un Fils, et le gouvernement sera sur ses épaules et Il sera appelé Merveilleux, conseiller, Dieu Tout Puissant, Pere Eternal, Le Prince de la Paix." En ces jours—ci, a votre vue, tout ceci est réalisable, et visible. C'est vraiment merveilleux! Essaiu encore l'avait saisi de cette façon un peu différente, aussi, comme Sa connaissance augmenta plus en plus en cette révélation, selon la prophétie Essain, 32; 1-2, Voici "Un Roi régnera en toute rectitude de la vie et des princes régneront en toute justice et l'homme se cachera des howiaguas et un couvert de la temête qui se viessent. Dans le monde actuel ne voyez-vous pas que ceci s'accomplit a vue? C'est vraiment merveilleux! Le Christ a été élu pas parobort a son élection speciale mais a cause de sa mission speciale et devoir et son Election Spirituelle, sa mission et devoir, sur la Terre pour sauver Son monde comme Il l'avait dit.

Dieu un Facteur Vivant

Maintenant on le voit, et on le sent. Partout ou vous passez on le sent, le véritable Esprit de Dieu présent cet atmosphere glorieux de l'Esprit de la reconnaissance de la présence de Dieu. L'homme, de jour en jour devient plus conscient de la Présence de Dieu. Par entremise de telle conviction et reconnaissance conscientieuses, il créa un atmosphere qui, est enthousiasmé. Il créa un amilleu qui se conforme à un et tous desirs. De fait, la composition originale, ou devise s'accomplit, a votre, vue comme une commission que j'ai donnée aux peuples de cette génération—"L'Esprit reconnaissance de la présence de Dieu est la source de tout approvisionnement et IL satisfiera tous bons desirs." Ceci est accompli a votre vue, et vous commencez en ce moment a jouir, et reconnaître que Dieu est en réalité Facteur Vivant dans les coeurs la vie des hommes. Alors Je dis que le Christ est élu Seigneur des Seigneurs, et Roi des Rois. Selon votre version vous l'avez visualisé en Moi—C'est vraiment merveilleux! Mais Je l'aurais dit, Le Christ—qu'IL soit en ce corps ou, en dehors de ce corps—Ce Principe Qui est appelé en Question régnera Eternellement. Maintenant, ce n'est plus une question, de son regne éventuellement, mais c'est en réalité ce Principe de Qui vous dites que Je Le Suis, régnerai Eternellement avec ou sans une forme corporelle. Cela M'est égal. C'est vraiment merveilleux!

C'est la grande signification d'être un Soldat de la Croix et un adhérent de l'Agneau, ayant ni peur ni honte de supporter Sa Cause et n'hésitant de citer Son Nom, car Celui-ci, Le Christ avec ou sans forme corporelle a été élu Seigneur des Seigneurs et Roi des Rois. C'est accompli a votre vue et Je sais que la majorité du peuple commence maintenant de voir et remarquer exactement ce que vous avez vu et en-

tendu et appris. C'est vraiment merveilleux IL ne sera pas longtemps. Le compositeur de cette chansonette "Il ne sera pas longtemps. C'est vraiment merveilleux! Maintenant quoique le vrai compositeur de cette chansonette dise que c'est Moi ou quoique il

aux Officielles et les Officiers de notre Gouvernement qu'ils puissent avoir le support et l'assistance de Celui qui vit éternellement! Alors Je le dis et encore Je le répète Me voici et Me voila, vous voici assis et Me voila debout, et de l'autre cote, Me

voici debout et Me voila assis. C'est vraiment merveilleux! Je veux Me rendre au "White House," comme Je Me rends a l'Hotel de Ville. C'est vraiment merveilleux! Je veux nettoyer le gouvernement Municipal dans lequel nous habitons, cette municipalité—ci, le gouvernement de la ville. J'ai élu le Christ comme Seigneur des Seigneurs et Roi des Rois, comme il a été dit sur la Montagne de la Transfiguration d'un Etat plus élevé d'expression appelé Ciel. C'est Mon Fils Bien-Aimé avec Qui Je Suis extrêmement content. Portez-y bien attention. Faut-il qu'ils écoutent la Voix de Dieu quand IL parle dans la vie, des hommes, dans les coeurs, dans la bouche car Dieu a vraiment consenté a Se transmettre en eux pour régner et diriger les affaires des hommes, et de tout soumettre a Lui Qui Vit toujours et pour toujours. C'est vraiment merveilleux! C'est a cause de cela nous rejoignons et sommes excessivement contents sachant bien que ces Paroles ne sont contraintes ni liées a une personne ni a des personnes. Cette Mission et Devoir de cette reconnaissance du Christ, degré filial de la compréhension de Son Existence Royale, a été mis en expression en toute domination et il régnera dans et sur tous les auroités dans le Monde. Les autorités cesseront de fonctionner s'ils refusent de juger le Peuple judicieusement et avec équité. C'est vraiment merveilleux! La grande conso-

lation dans cette vérité est de savoir que ce n'est pas contrainte ni liée aux versions mortelles selon leur theories et leur doctrines et idées et opinions d'une façon d'expression, mais nous connaissons que Dieu est Libre de Se manifester en n'importe qui. Dieu peut juger et jugera le Peuple avec équité par la personne ou les personnes qui porteront leur corps en submission et voudront volontairement vivre la vie Evangelique. C'est, vraiment merveilleux!

Reconnu Partout

Je le déclare que Je vais nettoyer votre Ville,—C'est vraiment merveilleux! Et pas seulement votre Ville, mais Je vais nettoyer les Etats—Unis de l'Amérique. Le vice et le crime aussi le pechés et débauches de toutes espèces ne peuvent plus dominer, car le Christ est réellement Roi, et le Christ regne sur la trône de la mentalité du peuple. C'est n'est pas tant pour Moi dit il sera, mais en vérité, le moment est venu, Dieu a glorifier Son Fils. Le Christ est élu, pas plus comme vous l'attendiez, mais comme il devait l'être—n'est-ce pas cela en toute l'apparence?—"oui, Pere," fut la réponse grandiose). Et dans la cité de New-York et dans les autres cités de l'est des Etats-Unis ce n'est que légère réflexion de la réalité de cette grande election.—C'est vraiment merveilleux! Car il y a des millions et des millions croyant et déclarent tel comme vous et disant. "Je vous en remercie Pere, Je Vous en remercie, Pere." C'est vraiment merveilleux! Des milliers et des milliers dans le monde tant en Europe, Asie, Australie, et Afrique et partout ailleurs ne M'ayant pas vu en ce Tabernacle ils reconnaissent l'Omniprésence de Dieu sans ou avec une Forme Corporelle. Alors, Je le répète le Christ a été élu, Seigneur des Seigneurs et Roi des Rois. Mais rappelez—vous en, quand Je l'avais dit avant qu'il y en a parmi vous maintenant qui l'avait entendu et pour eux tres étrange, et même apparait impossible, in-pratique en ce moment—la cependant nous le voyons tres clairement et le déclarons qu'il s'était accompli a notre vue. C'est vraiment merveilleux! La grande consolation est de savoir qu'il est Sans ou avec une Forme Corporelle. Cela n'est absolument immatériel. Ce Principe est aussi actif sans ou avec une personne, et dépendant Il peut être converti en une selon la Volonté, aussitot que vous vous soumettez le corps vivant selon ce principe. Maintenant Je n'avais pas agi comme si Je dirais autant que j'ai dit. Primeabord quand Jesus entré dans cette

Salle à Manger, parceque dans Mon office il y a un trop plein de correspondance, conférences, et autres affaires dont j'avais a dépêcher et la grande consolation dans Mon travail est que vous n'avez pas a Me voir personnellement espécialement. C'est vraiment merveilleux! Si Je n'aurais pas personnellement l'Esprit de Ma Présence peut effectivement se manifester. Et si aucune chose s'élève en opposition a Ma Vie et Mon Instruction, et Mon Esprit se manifeste automatiquement dans quelqu'un, et le combattra en conséquence. C'est vraiment merveilleux! C'est pourquoi Je peut être en votre présence personnellement si Je le veux et contrairement M'absentant à Vue et cependant avec vous Toujours—Présent. C'est le Mystère Merveilleux, parceque, Mon Corps a quoi bon est-il? ("Oh, Pere nous l'Aimons"), était la réponse instantanée et accompagnée des bras étendus en signe d'approbation. C'est vraiment merveilleux!

La Volonté du Pere Est Supreme

L'Esprit de Ma Présence et la Présence de Mon Esprit est suffisant pour atteindre votre condition quelles qu'elles soient autant que vous mènent la vie prescrite. C'est vraiment merveilleux! C'est pourquoi Je puis aller où cela Me plait, et y rester aussi longtemps que Je le veux, c'est a dire Je puis agir comme une personne. C'est vraiment merveilleux! Oui Je serai toujours avec vous, quand Je suis apparament absent. C'est vraiment merveilleux. Pensez-y bien! Si Je veux Me présenter à vous, c'est bien et si Je ne le veux pas personnellement, c'est aussi bien. C'est là le grand Mystère de ce Travail. Tout-Puissant et c'est la signification de l'Independance de Dieu avec et de ses Enfants, vous pouvez devenir Independant de qui que ce soit. Quand vous réaliserez la Toute Puissance de Dieu avec ou sans la Personne, Je serai avec vous aussi effectivement de même sans Ma Présence Personnelle, comme c'est avec Moi vérifiant la composition original dont vous aimez si bien;—"Le Seigneur est venu, La Joie au Monde, Que la terre Leur Roi reçoit Que la place à Lui chaque coeur prépare; Et les Cieux et la terre en rejouit.

De Sa Vérité et Sa grâce, le Monde IL régit Et faites que la Nation éprouve La Gloire de Sa Rectitude Et les merveils de Son Amour."

Maintenant n'êtes-vous pas contents? (Trop contents partit de l'assemblée) Je porte aux Nations de prouver la gloire de cette rectitude et les merveils de Cet Amour,—C'est vraiment merveilleux! de part être éveillé et resuscité en Cet Esprit de cet Amour, si vivement et si enthousiasmiquement vous êtes devenu la vraie personification

Connaissez-vous Votre Dieu

Je porte votre attention a la date du 5 Novembre 1933 et la promesse qui avait été faite. En partie cela a été accompli—c'est merveilleux! et il sera accompli de A à Z, et de vous a Moi il sera accompli, quelque soit l'endroit ou vous pouvez vous trouver—de Genèse a la Révélation—et toutes choses doit reconnaître la soumission a Mon point de vue. C'est vraiment merveilleux! Je parle et vous pouvez écouter a Ma Voix—"Nouvelle vie le mort reçoit"—car—jugez la parole même que j'emploie a vous est Esprit et elle la Vie! C'est vraiment merveilleux! La grande consolation, Je répète est de connaître Voltre Dieu, avec ou sans une forme corporelle. C'est un Principe et pas une personne, excepté qu'il est capable d'être converti en une personne par la Volonté de Celui qui Vit Eternellement. C'est vraiment merveilleux! Il y a eu bien de causes et enseignements sur l'Incarnation, j'ai bridé les mots de la réincarnation, et Je les ai portés a être assujettis à Celui qui Vit éternellement. C'est vraiment merveilleux! Je M'en sers de ces mots, pas seulement ces mots, mais la réincarnation en réalité a la Gloire de Dieu

Italian Translation of Father Divine's Message Padre Divino, Vera Essenza Della Vita Degli Uomini

"GLORIA A DIO NEI CIELI: e in TERRA, PACE AGLI UOMINI DI BUONA VOLONTÀ."

Dio, nella Sua Infinita Pietà, discese, manifestò sul Pianeta Terrestre questa Mattina, e condusse i Suoi Figli sul Monte Glorioso, dove fu fatta una magnifica perlustrazione della Città Santa e della Nuova Gerusalem. Là, in Campo con DIO, si poté godere una vera scena gloriosa. E ci condusse nella Valle Archeologica e ce ne spiegò i suoi segreti. Egli ci guidò in Oriente, e colà ci spiegò l'origine della Pace di Dio per gli uomini sulla Terra. Di là, attraverso lo spazio di molti anni, Egli ci portò alla venuta di Gesù, quando la riproduzione di questa stessa PACE fu udita come un canto melodioso, chiamato il Canto degli Angeli; "GLORIA A DIO NEI CIELI e in TERRA, PACE AGLI UOMINI DI BUONA VOLONTÀ."

Continuando nelle direzioni del nostro Padre, pervenimmo a Gerusalem, dove sostammo un poco, per ottenere delle inapprezzabili informazioni sul riguardo di Gesù e sulla maniera in cui i Re Magi vennero dall'Est per adorarlo. Fummo portati a conoscenza delle molteplici cose meravigliose dei tempi antichi fino al tempo del Regno di Gesù, e vedemmo il Mistero del Potere e della sua concessione agli agricoltori, come questi abusarono e ferirono i loro servi, come bastonarono e uccisero altri, e finalmente come essi bastonarono, ferirono e uccisero Gesù, ma non il CRISTO che non fu mai sconfitto, ragione per cui Gesù servì d'Esempio e fu l'Esemplare della perfetta FEDE mediante la quale Egli non poteva mai essere sconfitto, ancorché EGLI fu crocifisso da uomini crudeli e malvagi, e fu fatto morire, sebbene lo stigma della morte non poteva mai sopraffarlo, giacché EGLI era il VINCITORE e come di Lui fu scritto e così come è: IO SONO il Primo e l'Ultimo: IO SONO COLUI che vive ed era morto; e come potete vedere IO SONO vivo e sempre lo sarò.

La Parola d'Ordine e Pace
"PACE" fu la parola d'ordine lasciata per meditazione. Essa fu illustrata dalla Sorella che testificò proprio prima che il Padre rilasciò il Suo Messaggio. Tale PACE le era rimasta sconosciuta durante la sua vita, ella disse, finché ella poté concepire la vera PACE soltanto quando comunicò con questo "Paradiso di Pace." Questa domandò anche per la totale guarigione della sua persona fisica e chiese la Guida Spirituale e Intelligenza.

Fu questo soggetto sul quale il Padre parlò, portandoci l'origine e il significato di questo ATTRIBUTO di DIO, e spiegando come questo fu minacciato dai malvagi agricoltori, i quali EGLI paragonò alle teorie umane e dottrine degli uomini, all'intelletto umano, alla perizia e abilità degli uomini, alla cultura, la scienza e le sue diramazioni, e come essi avevano cercato di rubare Dio della Sua Gloria, e dare l'eredità a se stessi, al proprio ingegno, alla propria perizia e abilità. Il Padre ci portò quindi nel grande Campo della Civiltà Moderna e ci mostrò i Metodi Mentali e Intelletuali dei Cultori che coltivano il Potere Universale di Dio, e come questi agricoltori, i mantenitori di questo Potere, e gli agricoltori di esso, cercarono di mantenere l'eredità per loro stessi e i loro discendenti, ma che a causa della loro ingiustizia, e del loro inumano modo di agire, la loro crudeltà ai Servi del Signore, ed al Suo Erede Legale e di Diritto, Suo Figlio, il Padrone

di quel Potere risolve di prendere controllo della sua amministrazione e di darlo in eredità ad altri, a coloro che riconosceranno il Padrone del Potere, e che rispetterebbero in reverenza il Signore di quel Potere, e così EGLI è venuto ed il frutto di quel Potere è ora ragionevolmente distribuito fra i lavoratori, giacché fu scritto: "E il lavoratore è degno della sua posizione."

Fu un Messaggio veramente meraviglioso e pieno di esperienza, "nel Campo insieme a Dio." Esso piacerà anche a voi, per cui accordatevi a questo Principio, e potrete apprezzare il Messaggio, giacché esso contiene la Parola di Dio Vivente. Il Messaggio è proseguito dal Canto di PACE.

PACE IO dò, e PACE rilascio, PACE IO dò, e PACE rilascio, PACE IO dò, e PACE rilascio, Non come il Mondo dà, dò IO a voi.

Non affliggete il vostro cuore, e non temete, Non affliggete il vostro cuore, e non temete, Non affliggete il vostro cuore, e non temete, Non come il Mondo dà, dò IO a voi.

PACE IO dò, e PACE rilascio, PACE IO dò, e PACE rilascio, PACE IO dò, e PACE rilascio, Non come il Mondo dà, dò IO a voi.

La PACE, Mia, la GIOIA e la FELICITÀ, La PACE, Mia, la GIOIA e la FELICITÀ, La PACE, Mia, la GIOIA e la FELICITÀ, Non come il Mondo dà, dò IO a voi.

Parlando dei Re Magi
Queste parole furono pronunciate molto prima della Venuta di Gesù come Persona. Esse furono portate in esistenza dalla CONSAPEVOLEZZA di CRISTO immersa nei cuori e nella vita degli uomini, quegli uomini che vengono chiamati i "Re Magi del lontano Oriente," ma quando Gesù venne come persona, essendo nato e rilasciato su di una Mangiatoia, essi apparentemente udirono la riproduzione della stessa PACE nella melodia di un canto chiamato il "Canto degli Angeli": GLORIA A DIO nei CIELI, e in TERRA PACE agli uomini di BUONA VOLONTÀ." Il messaggio fu convertito in materia quando Gesù fu la Persona che DOVEVA PERSONIFICARE l'espressione di ogni cosa desiderabile. Avendo queste parole incarnate in Esso, Egli portò il vero Spirito e la Parola a fruizione, e come individuo Egli portò PACE a tutta l'umanità. (È prodigioso, Signore, scaturiti dall'assemblea.) È veramente prodigioso! EGLI VISSE, CREDETTE e DIVENNE FISICAMENTE la COSA stessa, e sin dall'ora queste sono le parole che EGLI profferì ai SUOI Discepoli di millenovecento anni fa:

Io vi lascio la Mia PACE, Io vi instillo la Mia PACE, Non come il Mondo dà, dò IO a voi, Non affliggete il vostro cuore, e non temete.

Questo messaggio ci pervenne attraverso la condiscendenza di coloro che erano chiamati Saggi e Santi uomini molti anni prima che il Corpo chiamato Gesù fosse nato, ma ci pervenne condiscendentemente, manifestato nel Messaggio di un Canto, quale i Re Magi avevano inteso molto prima che Gesù fosse nato, le Parole di "PACE e BUONA VOLONTÀ"

agli UOMINI" che essi ascoltarono quando venivano dalla Terra d'Egitto o in altre parole dall'Oriente a Gerusalem per adorare Lui. Quegli uomini che venivano chiamati "Uomini Saggi," umanamente parlando, Astrologi ecc., avendo visto la STELLA e credendo in cuor loro che il tempo era giunto che qualcuno fosse nato per DOMINARE tutte le Nazioni della Terra, essi udirono la eco di quel Canto in una Melodia di Lodi d'Inspirazione. Sembrò ad essi come se gli Angeli in spoglie di uomini stessero cantando: "GLORIA A DIO nei CIELI, e in TERRA PACE agli uomini di BUONA VOLONTÀ."

Per Gli Uomini Egli Fu Come un Figlio
Era un Messaggio, quello che la CONSAPEVOLEZZA di CRISTO, come nata in Betlem, portava; portava un Messaggio di PACE e di BUONA VOLONTÀ agli uomini, a mezzo ed attraverso la loro ricognizione della Sua materializzazione attuale che darebbe PACE fisicamente, Mentalmente e Spiritualmente, giacché Egli condiscendentemente ci pervenne come un FANCIULLO nato a Betlem, cambiando SE STESSO in materia quale FANCIULLO, un FIGLIO degli uomini. ("Oh è prodigioso!" proclamò la gente). È veramente prodigioso! Il Lavoro di Dio ha incominciato. Era già nei cuori e nella vita degli uomini, ma Gesù come la vera Personificazione di tutto il BENE di DIO venne condiscendentemente, essendo nato come un BAMBINO in Betlem. È veramente prodigioso! Vivere in questo stato di espressione che viene chiamata FANCIULLO, portare a fruizione nella coscienza delle genti, la coscienza realizzazione della Presenza di Dio, del Suo AMORE, della Sua PIETÀ verso le genti. È veramente prodigioso! Perciò, nella vera venuta del CRISTO nella Persona di Gesù, in se stessa creò un'atmosfera e la ricognizione della stessa, compose la Composizione che abbiamo appena cantato "GLORIA A DIO nei CIELI, e in TERRA PACE agli uomini di BUONA VOLONTÀ." È veramente prodigioso! E come questo fu udito dai Re Magi, essi ne fecero il Messaggio, ed è stato tramandato fra le epoche fino al tempo presente, e noi, come individui, umanamente parlando, riconosciamo ora questa GLORIA di Dio nei CIELI ed anche questa PACE che sorpassa ogni intelligenza umana. ("Sinceramente prodigioso!" risuonò l'eco delle genti.) È veramente prodigioso!

Questo è ciò di cui l'ultima oratrice parlava, la PACE gloriosa, il RIPOSO e l'AMORE che sorpassano ogni intelligenza umana, che essa individualmente ha ricevuto dopo di essere venuta in contatto con ME, È veramente prodigioso! Poi Io dico: "PACE IO dò e PACE rilascio, non come il Mondo dà, dò IO a voi, non affliggete il vostro cuore, e non temete." Il Mondo potrà darvi PACE, GIOIA, PRESENTI o REGALI e TALENTO per poi riprenderseli, ma che cosa dice la CONSAPEVOLEZZA di CRISTO ai figliuoli degli uomini? Lo stesso Messaggio e la stessa Promessa che è stata tramandata attraverso epoche fino alla nostra Generazione: "Non come il Mondo dà, dò IO a voi, PACE IO dò e PACE rilascio." È veramente prodigioso!

Se voi vivrete Evangelicamente, lo Spirito della MIA Presen-

"Il Messaggio di Padre Divino" rilasciato al Tavolo dei Convitati nel mattino dello scorso Giovedì 15 Febbraio 1934, nel Kingdom a 20 West 115th Street, New York City

Alle Ore Undici e Trenta Antimeridiane—"Gloria a Dio nei CielI: e in Terra, Pace Agli Uomini di Buona Volontà"

za e la Presenza del MIO Spirito, mentre va rilasciando questa MISSIONE di PACE Universalmente per voi, si esprimerà, e si manifesterà ed IO vi darò PACE e GIOIA attraverso di tutte le intelligenze umane dovunque voi siate. ("Così meraviglioso Padre" rimarcarono gli ascoltatori.) Poi Io dico: PACE IO dò e PACE Io rilascio, non come il Mondo dà, dò IO a voi. Non affliggete il vostro cuore, collettivamente, ed anche universalmente, e non temete." È veramente prodigioso! Tale glorioso privilegio di vivere in questa ricognizione, dove lo Spirito della Presenza di Dio rilascia questa Universale MISSIONE di PACE in Terra fra gli uomini, e questa Infinita MISSIONE di PACE nella sua consapevolezza, dandovi GIOIA e FELICITÀ ed una vera ed ETERNA EMANCIPAZIONE; una EMANCIPAZIONE da tutte le guerre e dai rumori di guerra, da affezioni di ogni sorta, e stabilendo il vostro passaggio nella Terra dei Vivi, e di malattie, di dispiaceri e morbi voi riceverete la vostra GUARIGIONE, È veramente prodigioso!

Vivete in questa ricognizione e voi godrete questa vera e reale EMANCIPAZIONE e la PACE che sorpassa ogni intelligenza umana. "IO STO avanzando con espressioni in Parole, Fatti e Azioni, e voi come Me verrete nel vostro diritto di eredità come un figlio del Dio Vivente. Voi otterrete una PACE ed una GIOIA che non si può asportare, poiché non uomo può prendere questa GIOIA che Io ho prodotto nella Mia Propria Consapevolezza, e questo AMORE che sorpassa qualsiasi immaginazione umana. Va nell'Infinito la cui fine non potete intravedere. È fuori della vostra immaginazione. È veramente prodigioso! Vivete in questa ricognizione, mantenendovi continuamente nello Spirito di Lode, e Grazie, voi aumenterete le benedizioni e le multiplierete; e noi, come individui, umanamente parlando, riconosciamo ora questa GLORIA di Dio nei CIELI ed anche questa PACE che sorpassa ogni intelligenza umana. ("Sinceramente prodigioso!" risuonò l'eco delle genti.) È veramente prodigioso!

Questo è ciò di cui l'ultima oratrice parlava, la PACE gloriosa, il RIPOSO e l'AMORE che sorpassano ogni intelligenza umana, che essa individualmente ha ricevuto dopo di essere venuta in contatto con ME, È veramente prodigioso! Lo stesso Messaggio e la stessa Promessa che è stata tramandata attraverso epoche fino alla nostra Generazione: "Non come il Mondo dà, dò IO a voi, PACE IO dò e PACE rilascio." È veramente prodigioso!

Fatti e Prove Guerra ai Bigotti
Questi sono fatti e prove troppo evidenti per essere negate, poiché voi potete chiaramente vederle manifestate qui ed ora ed in ogni luogo IO SIA, "I ABONDANZA della PIENEZZA di tutte le cose buone è manifesta dovunque IO SONO." È veramente prodigioso! DOMANDA, AFFERMA, RINGRAZIA e LODA, DIO DARA, CONFERMERÀ, AUMENTERÀ e MOLTIPLICHERÀ." Ciò facendo voi dividerete queste infinite BENEDIZIONI che Io ho create nella consapevolezza degli uomini che Io ho portato

a fruizione fra essi, e che esse AUMENTERANNO e MOLTIPLICHERANNO continuamente, "per il Suo Regno e per il Suo Aumento no c'è limite." Perciò facendo ciò ed essendo ciò, la PACE che sorpassa ogni intelligenza, Io dò attraverso queste BENEDIZIONI. ("Così prodigioso, Padre," assicurano i presenti).

E poi Io dico, "PACE IO dò e PACE rilascio, non come il Mondo dà, dò IO a voi; non affliggete il vostro cuore, e non temete." Voi sapete in cuor vostro che voi non avete mai visto il tempo dove l'umanità era ripiena di tanto zelo e coraggio e speranza come voi siete oggi. ("Mai" confermò la gente). È veramente prodigioso! Il Zelo ed il Coraggio vi proibirà di essere timidi. Questa PACE e questa GIOIA che sorpassa tutta l'intelligenza umana vi proibirà di affligervi e di dispiacervi. Io ho sostanzialmente la vostra SPERANZA ed ho rinsaldato la vostra FEDE. Io ho aguzzato il vostro zelo ed il vostro coraggio con la FEDE in Dio, sostanzialmente con confidenza incrollabile, e voi non potete aver paura. . . . Poi Io dico: "Non affliggete il vostro cuore, e non temete." Voi non potete temere attraverso questa ricognizione ed attraverso questo zelo e questo coraggio, che Io ho stimolato nei vostri cuori e nelle vostre menti. È veramente prodigioso!

Guerra ai Bigotti
Io sto scacciando nemici della peggiore specie, pregiudizio, bigottismo e timore. Questi sono i nemici dell'Anima dei figli degli uomini; essi sono i nemici del corpo dei figli degli uomini. È veramente prodigioso! Tali condizioni caotiche, quali timore e bigottismo, pregiudizio, odio e risentimento e tutte le altre caratteristiche detestabili, causeranno alla vostra fisica forma corporea una condizione caotica, ma ciò sto Io eradicando dal vostro sistema, con la coscienza ricognizione e la realizzazione della Presenza di Dio, perciò, voi non state AFFLIGGENDO il vostro cuore, e non state TEMENDO, poiché questo zelo e questo coraggio, con questa ritrattazione, tali condizioni che sono avverse al vostro bene, sono disperse dallo Spirito della Mia Presenza. È veramente prodigioso! Voi potete vedere sparire dubbii e timori È veramente prodigioso! Voi potete veder sparire ogni negazione nella consapevolezza. Voi potete vedere eradicare le condizioni caotiche dei vostri sistemi fisici, voi potete vedere la grande e gloriosa SPERANZA e la gloriosa APPARIZIONE del vostro SIGNORE e SALVATORE. ("Sì, Signore, è prodigioso!" acclamò il popolo). È veramente prodigioso!

La Vanità è Una Cosa Assurda
Ecco perché CRISTO richiede un completo diniego personale, un sacrificio palese ed una consacrazione cordiale. Se voi non siete distaccati da tutti i vostri parenti, amici e affini ed ogni altra cosa mortale, lo Spirito e la mente di essi può entrare nella vostra subcoscienza, e voi, inconsapevole e non volente, potrete essere forzato nel vostro intimo di dire qualche cosa che non vorreste dire. ("È veramente prodigioso!" gridò la gente). È veramente prodigioso! Ecco perché è

nore Regna." È veramente prodigioso! "Lasciate che le genti delle Isole siano accontentate: lasciate che gli alberi nel campo battano le mani," e voi potete dire come avete cantato o meglio noi possiamo cantare: "GIOIA al Mondo il SIGNORE è venuto, Lasciate che la Terra riceva il Suo RE, Lasciate che ogni cuore si disponga per Lui, E che i CielI e la Natura canti, E che i CielI e la Natura canti, E che i CielI, che i CielI e la Natura canti."

Il Caso di Un Angelo
Pace a tutti: A questo momento desidero richiamare la vostra attenzione, sì, la vostra attenzione alla testimonianza di una delle nostre oratrici, che disse poco fa, portando testimonianza nel convertire il pensiero di mettersi in contatto con gli individui differenti e sembrando di riconoscere le loro simpatetiche condizioni, o le condizioni attraverso sentimenti simpatetici. Mi piace dire che quella è una VERITÀ psicologica, in una certa maniera, e mentalmente e Spiritualmente, essa è equivalentemente la stessa. "La condizione fisica non è che l'espressione esterna della condizione di mente propriamente detta." È veramente prodigioso!

Io parlo con un Angelo, l'altro giorno, e la Mia attenzione Personale fu richiamata al come essi si sentono a volte, ed Io sto dicendo a questi, una grande VERITÀ psicologica che ognuno e ciascuno di voi dovrebbe prendere in considerazione. Ricordatevi, Gesù come Persona disse: "Se voi non lasciate tutto ciò che avete non potrete essere Mieci Discepoli." Quest'Angelo è un'Epistola Vivente che dovrebbe essere vista e letta dagli uomini," e se essi possono leggere l'Epistola Vivente, quanto mai più può fare Dio? ("È vero," sanzionò la gente). È veramente prodigioso; Quest'Angelo, a volte, dimostra un'espressione nella sua consapevolezza, come di bestemmiarmi e di abusarmi. Essa non desiderava che fosse così. È veramente prodigioso! Ma perché era così? Era perché, essendo in contatto con qualcuno che era opposto a Me, lo Spirito di quella mente avrebbe trasmesso ad essa come guida di radio, ed inconsciamente essa fu fatta oggetto di vanità: "a Lui a cui vi dichiarate di essere servi fedeli ed ubbidienti, a Lui voi dovete servire ed ubbidire." Questa Quotazione Biblica è per vostra considerazione.

Guardatevi Delle Cose Che vi Circondano
I vostri genitori, i vostri parenti, la vostra razza, i vostri credi, la vostra nazionalità e i vostri colori ed ogni altro punto mortale in versione o individuo non ha bisogno di parlarvi personalmente, ma lo spirito della loro mente si può trasmettere a voi, se voi non siete distaccato o se voi siete in contatto con essi mentalmente a Spiritualmente, e qualunque cosa essi pensano voi anche pensate, e se non state in guardia presto vi accorgete che voi farete le cose che essi vogliono che essi faranno a voi ed a mezzo di voi ciò che essi vogliono fare con il loro proprio corpo. È veramente prodigioso! ("Oh Padre," mormorarono le genti). Poi Io dirò che CRISTO disse ai suoi discepoli, parlando come una Persona: "Se voi non lasciate tutto ciò che avete, anche la vostra vita, non potrete essere Mieci Discepoli." È veramente prodigioso e dite al Mondo intero che se essi desiderano di opporre questo Messaggio di Amore che Io Sto portando a loro, che leggano la Bibbia da loro stessi e che se essi vivranno evangelicamente essi saranno più devoti della maggioranza di voi. CRISTO nella persona di Gesù era un Esempio ed un Esemplare.

scritto: "Voi non potete servire due Padroni." Fino a che voi avrete relazioni con la mortale consapevolezza ed ogni persona mortale, voi siete soggetti alle loro tendenze, inclinazioni e le loro fantasie e i loro piaceri ed esse trasmetteranno a voi i loro pensieri inconsciamente, e non volendo voi diverrete il soggetto di quelle tendenze, e se voi non siete guardingo finirete col bestemmiare e col maledire, ma ricordatevi, se voi permetterete in voi l'accesso di quelle cose, voi sarete responsabile per i crimini e le sofferenze del vostro corpo. È veramente prodigioso! ("Sinceramente prodigioso," ripeté la gente).

Voi potete continuare le vostre relazioni con i vostri parenti mortali ed amici, con le loro bestemmie e maledizioni, odiando Dio sul Suo Trono, e presto vi accorgete, che inconsciamente e non volendo vi sarete soggetto alla VANITÀ. Sarete soggetto alla bestemmia e potrete maledire Dio e morire. È veramente prodigioso!

Considerate su queste massime. La moglie di Giobbe non gli disse di bestemmiare Dio e morire? ("Sì, glielo disse, Signore," ripeté gli ascoltatori). Quello rappresenta la premonizione di ciò che potrebbe essere di ciascuno e di tutti voi, se voi rimarrete attaccati alla mortale mente che è in opposizione con la VERITÀ. È veramente prodigioso! In questa Dispensa ed in questa Epoca ed in questo tempo, forse essi non vi verranno personalmente, ma essi vi verranno nella vostra mente ed in maniera remota; giacché siamo ora vivendo in una più alta luce di Civiltà, scientificamente e meccanicamente. Voi non dovetevi parlare con una persona bocca a bocca personalmente, voi potete mandare un messaggio per telefono, telegramma e radio, e l'altra persona non potrebbe mai vedervi né potrebbe sapere, ma voi le potete mandare messaggi. Questa è la VERITÀ scientifica da un punto di vista scientifico, attraverso ed a mezzo la meccanica del Mondo attraverso la scienza, e questo è soltanto l'abbozzo di una riflessione di una percentuale di una frazione di un granulo della realtà del Mistero della VERITÀ psicologica e ne fa testimonianza allo stesso tempo.

Guardatevi Delle Cose Che vi Circondano
I vostri genitori, i vostri parenti, la vostra razza, i vostri credi, la vostra nazionalità e i vostri colori ed ogni altro punto mortale in versione o individuo non ha bisogno di parlarvi personalmente, ma lo spirito della loro mente si può trasmettere a voi, se voi non siete distaccato o se voi siete in contatto con essi mentalmente a Spiritualmente, e qualunque cosa essi pensano voi anche pensate, e se non state in guardia presto vi accorgete che voi farete le cose che essi vogliono che essi faranno a voi ed a mezzo di voi ciò che essi vogliono fare con il loro proprio corpo. La Vera Essenza Della Vita
Secondo la testimonianza da voi ascoltata da una persona, l'altro giorno, qualcuno disse: "che cosa accadrebbe a voi tutti se il Padre sparisse?" Come posso Io sparire, quando IO SONO la vera SOSTANZA del vostro essere, quando IO SONO la vera ESSENZA della vita che voi respirate; quando IO SONO la vostra vera MENTE, PRESENTE in ogni spazio senza alcuna eccezione; quando IO sono in ogni giuntura, ogni nervo, ogni arto ed ogni osso, sì, anche in ogni fibra ed in ogni cellula della vostra forma corporea. Come posso Io sparire e dove posso Io andare e donde sono Io venuto. È veramente prodigioso! Io mi sono elevato nei cuori e nelle menti degli uomini, ed è un PRINCIPIO che VIVE attraverso tutta l'ETERNITÀ con o senza la Forma Corporea che è assolutamente senza alcuna importanza per Me per ciò che Mi riguarda Personalmente.

Gesù come persona sparì, eppure in quel Grado Filiale di Espressione, esso visse parzialmente, sebbene fu bastonato fino a che il Padrone del Potere venne Lui STESSO per distruggere quegli agricoltori che avevano bastonato il Figlio e che l'avevano Ucciso. È veramente prodigioso! Dicono e ingordigia, dubbio e paura, pregiudizio e risentimento, collera e lotta e tutte quelle tendenze della vita dei figli degli uomini, avevano bastonato il Figlio e Lo avevano ucciso. È veramente prodigioso! ("Sì, Padre," dichiararono gli ascoltatori).

Non vedete come anche l'intelligenza umana aiutò a battere il Figlio ed a scacciarLo? ("Sì, Padre," rispose la gente a questa domanda). È veramente prodigioso! Ho detto, "l'intelligenza umana, la Luce della nostra presente Civiltà che non è stata portata a sommissione della CONSAPEVOLEZZA di CRISTO, ha bastonato il Figlio cacciandoLo via?" ("Siate Benedetto, Padre," esclamò ferventemente l'assemblea). È veramente prodigioso!

Non vedete come anche l'intelligenza umana aiutò a battere il Figlio ed a scacciarLo? ("Sì, Padre," rispose la gente a questa domanda). È veramente prodigioso! Ho detto, "l'intelligenza umana, la Luce della nostra presente Civiltà che non è stata portata a sommissione della CONSAPEVOLEZZA di CRISTO, ha bastonato il Figlio cacciandoLo via?" ("Siate Benedetto, Padre," esclamò ferventemente l'assemblea). È veramente prodigioso!

Egli guidava ed istruiva i popoli. Egli li guidava, li dirigeva e gli insegnava la vera strada. Perciò, se noi siamo i Credenti del CRISTO chiamato Gesù, perché non accettiamo la Sua Dottrina come una realtà, come Fondazione, come la sola copia IDEALE di vivere e non viviamo nella stessa maniera? (Applausi). È veramente prodigioso!

Io so che i modi di CRISTO e la Dottrina di CRISTO, in quella Persona chiamata Gesù, incrociava con le menti delle genti, e quella è la CROCE sulla quale Egli appese, l'essere a croce con le genti. È veramente prodigioso! Egli venne in completo contrasto, a croce con le menti umane e perciò, Egli si stabilì in uno stato di espressione a croce, ed attraverso l'espressione materiale esterna della CROCE Egli poté dipingere esternamente la condizione interna della Mente. È veramente prodigioso! ("Padre, è prodigioso!" asserì il popolo). Essi cercarono di crocifiggere il CRISTO in questa Dispensa, ma è una questione d'impossibilità. È veramente prodigioso! Ora ricordatevi, IO non Sto parlando di materialismo, IO non Sto parlando di materia. Non Sto parlando di Personalità. È un PRINCIPIO che si erge Supremo ed è Superiore ad ogni immaginazione umana, ed esso non può essere proibito, e non può essere prevenuto; non può essere sconfitto e non DEVE ESSERE disputato. ("No," esclamò un numero di voci). È veramente prodigioso!

Father Brings Message of Cheer To Those Gathered at Banquet

(Continued from Page Three)
Himself.—The material Keys, the mental keys, and the Spiritual keys, being only shadows and types of the reality of the real Key that comes from your Father. It is indeed Wonderful!

Take these thoughts into consideration, for God is dialing in on His Own Omnipotence, from whence all blessings come. It is indeed Wonderful! Dialing in on the Front of all His Joy, and Happiness, Peace, and Pleasure, Success and Prosperity! Then I say, good health, good appetite, and good will to all mankind, and a good Assembly, merry making, and a merry heart within one and all. I thank you. I haven't done anything yet, to what I WILL do. I will bless the people! I will bless the people with blessings as numberless as the snow-flakes from the clouds. This will be accomplished as fast as you will allow me,—or your Faith in Me as though it were Me,—will bring into outer expression these limitless blessings, and will make mountains level, make the valleys exalted, and make the forests, fields. The forests will become trees, for I will move trees out of the way through and by your Faith in Me. Take these thoughts into consideration. Truly might Jesus, the great Love Master, have said,—“If you have Faith as a grain of mustard seed, you can say to yonder sycamore tree, be thou plucked up and be thou planted in the midst of the sea, and it WILL obey thee.” It is indeed Wonderful!

God Has All Power
Your Faith in Me! I will use your Faith in Me in a constructive way. It is indeed Wonderful! Not only in a mental, social, and a Spiritual constructive way, but I will also use it in a material or physical constructive way! I will establish great constructive works for the benefit of causing men and women to be practical while they are tabernacling here on Earth, yea, even on the Earth plane among men. It is indeed Wonderful! I was saying this morning coming down, there is a plenty of work to do. It is indeed Wonderful! Why should men and women be out of work? It is indeed Wonderful! We can run subways and sub-trains from here to China just the same as we do under the Hudson here, and other subways that go under the River. How much work would it give men, for subways to run all through the United States of America, under the Atlantic, and underneath the Pacific, and over to Asia and Africa, and to all of the other Countries? It is indeed Wonderful! And not only subways with electric trains, but automobile highways and express ways! It is indeed Wonderful! The Spirit of God's Mind, and the Mind of God's Spirit, is here to inspire men with Wisdom, Knowledge, and Understanding, and to make practical the Reality of His Presence, that mankind might observe things here on Earth as they were in their imaginary Heaven. It is indeed Wonderful!

Your imaginary Heaven had all kinds of conveyances, and you could fly from mansion to mansion, in your imaginary Heaven. It is indeed Wonderful! I make practical, and bring into actuality and into materialization, the reality of your imaginations, and confirm it by the Spirit of My Presence on Earth among the people. Now just think of it! Think of the work we can do! Just think of it even from the point of view of making highways, subways, and express sub-highways through this Country, and all parts of this Country, just the same as sub-trains are run in the City of New York here. It is indeed Wonderful! The Pacific is not too deep to go underneath, and nothing is impossible with God.

For this cause I have created the Faith in your hearts and in your minds, and in your souls, and in your bodies, with your physical strength,—“that will not shrink though pressed by every foe.” Truly might Jesus, the Love Master, say, “When the Son of Man cometh, shall He find Faith on the Earth?” Even though Faith on the Earth was veiled just behind the veil of materialism, I have quickened it in your consciousness and in your systems, and I have harnessed the power of your energies, and I am bringing them into subjection to this great Universal Mind Substance, and I am causing you to use your Faith, and your zeal and courage, in a constructive way, and constructive ways in every direction.

Father Assures His Followers God Gives All to the Believer

(Continued from Page Three)
I said a few days ago, I will have a Law that will prohibit the policemen from beating up people. It is indeed Wonderful! (Shouts from the Audience.) Peace everybody! Do you not know that I am working on all planes? I am filling all spaces and I am absent from none. I have My Secret Service Work going on. It is indeed Wonderful! It came to My notice by one of My Secret Service Workers that some man had been beaten up by a policeman, without a cause.—It is indeed Wonderful,—and I said there and then, we will have a Law that will prohibit the policemen from beating up men, without a cause. It is indeed Wonderful! It is indeed Wonderful! Naturally they would not try to treat YOU or Me that way, because they know it would not be justifiable. It is indeed Wonderful! But those that are insignificant humanly speaking, wherein some of the policemen think they have no protection and no one to speak for them or think for them, why they may mistreat them,—some of them. I am not speaking of all the policemen, but I am speaking of those that WOULD do it. It is indeed Wonderful!

Truth Manifest
The Earth was void, and without form. That is why it WAS void, and impractical and unprofitable, as long as it was without form. So it was with your imaginations, your dreams, and your visions concerning flying in Heaven.—It was void and impractical, it was unprofitable, and all of your dreams were impractical and unprofitable, until they became practical and profitable by being brought into materialization on the material planes. You can dream all you wish to, of being in Heaven, but unless you get there in reality, it is impractical and unprofitable.—It is only an imagination. But the Spirit of the Truth, and the Truth of the Spirit, has been materially manifested, and God is bringing into materialization every good and desirable imagination, for anything you can imagine, it can be done. That is also practical, that is also true, for it has long since been said,—“Now unto Him that is able to do exceedingly abundantly, above all that you can ask or think.” Therefore, anything you can imagine, it can be done. It is impractical and it is unreal, so long as it is only in the Invisible and not brought down on the material plane. It is indeed Wonderful!

Pouring Out My Soul
So I said here the other day, we will have a Law that will prohibit them from beating up men without a cause. There came to My Hand a few minutes ago, when I arrived in this Dining Room, this little clipping headed,—“POLICE TO STAY CLUBLESS, IS MAYOR'S EDICT.” It is Wonderful! Do you not see “the great mystery of the transmission of the Earth, all of My Omnipotence, the Wisdom of God that has been hidden, and every good and desirable blessing will come when I call upon it. It is indeed Wonderful! Not one of you can say I have Personally called you. It is indeed Wonderful! Not one of you can say I have personally requested your presence, but I have Commanded the Spirit of My Omnipotence, and I have Spoken to Divine Intelligence to Command the human intellect and all of the human mother-wit, to come to the great Cause, and sponsor this Cause. It is indeed Wonderful! Truly might Jesus have said,—“If I Pray My Father, He could Command Ten Thousand Angels, and they would come.” It is indeed Wonderful! I am Commanding the Angelship Degree of the wisdom and knowledge of all mankind, all of the skill and all of the ability of man of mankind, to come for the great Cause, for the establishment of the Kingdom of God. I think I had better stop!

The All-Seeing Eye
While sitting thinking, I was aroused by the Spirit of My Mind within as an Inspiration, bringing to My Thought the consideration of how the oppositions have been, and how the mortal mind of men has tried to criticize, and keep the Fundamental Principle down, but I have lifted it up, and it shall not go down. It is Wonderful! At this Name every knee must bow. It is indeed Wonderful! All mankind shall see and know that this and only this, as being termed Me by you, is the only Propitiation for the Salvation and the Redemption of all mankind. It is indeed Wonderful! Just think of the great Work that is going on here and now, in your City Government, through the transmission of the Spirit of My Presence, and the Presence of My Spirit, as I pour out My Soul, My Life, My Omnipotence, to the Children of Men, and My Seal and My Courage, to stir them. It is indeed Wonderful! When I declared on the Fifth Day of November last, that the person or persons that would sponsor this Cause, I would be with them,—I declared unto the Children of Men, “Here you are and there I am, here I sit and here you stand,” transmitting and transmuting My Life, My Mind, My Power, to the Children of Men, to establish a Righteous Government on the Earth among men. That is exactly what I am doing. It is indeed Wonderful!

No Division of Races
But how cometh these blessings? Through the meekness of the Spirit, through the meekness of heart and of mind and spirit,—“Perfecting Holiness in the fear of God,” through a complete self-denial and consecration. It is indeed Wonderful! Now just look at this beautiful Dining Room! Little would you have thought, about four years ago in Sayville, when I was hiding there as in days of old.—Little would you have thought this Dining Room would have been spread here as it is. You would have said of the places you have gone, that it would have been a matter of impossibility for you to have gone, but I have broken down the middle wall and the partition, between races, creeds, and colors, and nationalities, and have established your going in the Land of the Living, and have given you your freedom, that you might have an access in this Grace wherein I stand, and enjoy the goodness of God's Blessings on the Earth among men. It is indeed Wonderful! There shall be no division among My People, and I have come, and I have accomplished that for which I came. The only thing I must needs do now is to universalize it. Even as I have it on My immediate Staff, I will universalize it and establish it in all parts of the World.

Perfected in Love
For this cause it has stirred up the Nation, and by this means I have increased your Faith, and I have confirmed your hope, and I have perfected you in Love. It is indeed Wonderful! Love that transcends all human imagination! Even if it is only in your consciousness firstly, if you keep saying it after-while it will get in your hearts. It is indeed Wonderful! That's what is the matter! You kept saying it and kept saying it! It is indeed Wonderful! Firstly in your consciousness, and uppermost in your consciousness, it being sponsored by the Spirit of My Merit, and protected by the Spirit of My Protection, I gave you health and happiness, food and raiment, houses and shelter. For this cause I perfected you in Love by increasing your Faith and confirming your hope,—perfecting you in Love.—Love that transcends all human imagination,—because I gave you the understanding to direct your Love and your affections to Him that I will do universally. I Thank you.

God, and caused you to make up your minds that God alone shall Reign; you withdrew your affections from women and men, and you directed your thoughts to Him that Liveth Forever and Ever. It is indeed Wonderful!

Just now, I am answering your prayers, and your fore-ancestors' prayers.—
“Increase my hope, confirm my Faith,
And perfect me in Love.”
I am perfecting you in Love, and I am increasing your Faith, and I am confirming your hope. After this confirmation shall have taken place in your consciousness, you can go forth. As firm as the confirmation has been made by the Confirmer, you can make your declaration known what God has done for one and all. Your hopes have been confirmed, and I have increased your Faith. I have perfected you in Love, for I have purged you of the mortal version of your affections, and I have caused you to learn how to direct your Love in the right direction. It is indeed Wonderful! That is the mystery that the World could not understand. That is why you could not Love God as you should. Why? Because you were directing your Love and your affections to man. It is indeed Wonderful! But when I came and caused you to recognize the Ever-presence of

and UNDEFILED. It is indeed Wonderful!
Take these thoughts to consideration, even if you are living in the Kingdom or in the Connections herewith, do not feel obligated to buy one penny's worth of anything in connection with it. You are not obligated to buy anything, unless you wish to. If you see where in you can get more for your money elsewhere, that is your privilege to do so, you are justified in so doing. It is indeed Wonderful! (“Bless Your Sweet Name,” shouted the Lovers of the Lord.)
I have established a Foundation; through your cooperation Mentally and Spiritually, you will be blessed by making your Mental and your Spiritual contact, and you will have the Blessings coming to you automatically without your consideration, without your preconceived ideas and opinions and without the customs and forms and fashions of men. (“It is truly wonderful! voiced the people.”) It is indeed Wonderful! As a business man here in this City said: “If I were Father Divine, in His Place, just for one day, I would only make all of my followers, give me just ten cents for one day, and I would have an I wanted.” It is indeed Wonderful! (“So wonderful Lord,” echoed the people.) I wouldn't have it you see, but the mortal mind would suggest it, but that would be building upon a Foundation that is corruptible and that will fall. It will not stand. That is why the Kaiser has fallen. It is indeed Wonderful!

Anything that is built upon the mortal versions of men, it can not stand. It is indeed wonderful! I know practically every one of MY Followers would give ME everything they have. It is indeed wonderful! I know you would do it. (“Yes Lord,” said the people with zeal.) It is indeed wonderful! I know you would do it. (And again the affirmation came forth with more zeal and interest.)
LISTEN! I know you would do it, if I wanted it, even if you just thought I wanted it. (Applause.) It is indeed wonderful! Of course, that is true as some have said, that would be a test, that would be even a way to find out if they think you are God or not. It is indeed wonderful, but I AM not trying to find out in a mortal way. It is indeed wonderful! I know your hearts. I know your minds. I want to see you build upon a Foundation that can not fail, neither fall. All of man's ways fail. They FAIL. Therefore, I do not want any one of you here to buy a soda-pop, unless you voluntarily wish to buy, but yet I command and demand MY Representatives to sell them less than you can get them elsewhere. If I can be better to you, and give you something for nothing, I will not accept of something for nothing. (“Oh it's wonderful!” assured the Believers.)

Take these thoughts to consideration, and live in this recognition, for I can speak the WORD today, and before next Sunday, I could have TEN MILLION DOLLARS at MY personal disposal. (Cheers and applause filled the atmosphere.)
PEACE! LISTEN! I could have TEN MILLION DOLLARS at MY Personal disposal, coming from MY Believers, voluntarily giving it to ME, if I would just speak the Word, and they thought I wanted it. (Applause.) It is indeed wonderful, but I have the KEYS to all of the HIDDEN TREASURES. I have ways and means no man knows and NEVER will know. (“Oh Glory,” said the people, as they continued to cheer

gravitation physically or personally. I Thank you.
God materializes Spiritual things, and spiritualizes material things. That is why we endorse the activities of new inventions, and especially the radio, electricity, automobiles, and aeroplanes. Therefore we need not go further at this particular juncture. You all see where I stand, and you know within yourselves, with or without this Bodily Form I came to bring to fruition every good and desirable blessing, and every good and desirable imagination. I came to bring it into materialization, and universally establish it, for that which was on the psychic plane must be brought down to the material plane and materialized, even as the Earth, for it was void, and without form, in the Beginning. But God said,—“Let dry land appear,” and here it is. It is indeed Wonderful! God has spoken into existence things that were in the Spirit and on the psychic plane. God has brought them down on the material plane, that you might observe and enjoy them. I Thank you.”
