

Pr.

This I mean Only to inclose this act with carries. ~~in it~~  
a Present of 2000. ~~with~~ I hope you will get me leave to accept. —  
and that it will not be so long a coming, as that is for the last 1500  
with I have not yett receivd. Your last Letter was dated in December —  
and we are now about the middle of July, It is a very tedious time  
to be without any news from you or any of my friends in England.  
It may be prevented for the future If you would get a Con-  
-spondent. att. Bristol. and alwayes. leave letters in his hands. In  
- there hardly passes a month. but we have one or two shippes —  
from that City. by which means. most of our Merchants. have intelli-  
- gence from their friends in London. so that there is few or none  
- so much neglected as my self. But I hope you will make use of  
- this expedient In which you will oblige.

Your most humble servant
